

2005 Sand Key Beach Renourishment Project

Public Meeting

Pinellas County's Department of Environmental Management will hold a public meeting on the 2005 Sand Key Renourishment Project. The project to renourish the beaches of "Sand Key", Belleair Beach, Indian Rocks Beach, Indian Shores, Redington Shores and North Redington Beach will begin in mid-September. Representatives from Pinellas County, the Army Corps of Engineers, and the contractor, Norfolk Dredging Company, will present project details followed by a Q & A session.
