Sweetwater Kayaks, St. Petersburg, FL

Join Marine Biologist David Camp on a guided kayak tour through the enchanting mangrove forests of Weedon Island Preserve. Get the insider view of this incredible ecosystem that includes mangroves, oyster beds, marine life, and an amazing array of birds.

This 1.5 to 2-hour tour is designed for those who have little or no experience kayaking. Our kayaks are wide and stable, and are available as singles or doubles. Bring a hat, sunglasses, drinking water, sunscreen, and shoes that will not come off. Your kayak seat is likely to get wet, so be prepared with a towel or extra pair of shorts.

To register for this tour please call Sweetwater Kayaks (727) 570-4844 or email theshop@sweetwaterkayaks.com. Meet at the canoe launch next to the fishing pier at Weedon Island Preserve at 8:30 am. Fee: \$25 per person.

Recommended for all ages; children must be accompanied by an adult.
