

■ Photograph Collection

The largest collection of historical images of Pinellas County, over 8,500 photographs.

■ Library

More than 3500 volumes on Florida and Pinellas County history, antiques and collectibles.

■ Map Collection

Extensive collection of maps relating to Pinellas County.

■ Yearbooks & City Directories

The most complete collection of Pinellas County school and college yearbooks and city directories dating from 1908.

■ Postcard Collection

A collection of several thousand original postcards from the beginning of the 20th century representing vanishing scenes of the county.

■ Special Collections

260 cubic feet of archives containing documents of early families, local businesses and late 19th century area government documents.

■ Scrapbooks

A wide variety of scrapbooks containing unique photographs and recorded memories of life in Pinellas County as viewed through civic, social organizations and families.

■ Audio-Visual Collections

The only repository with a collection of over 300 tapings of the cable access television show Pinellas Past, featuring interviews with early residents and oral histories of individuals recounting daily life in Pinellas County.
