Traffic Advisory
Modified Traffic Pattern on Belcher Road

The three southbound lanes of Belcher Road, between East Bay Drive and 142nd Avenue North, are scheduled to close on Sunday, August 22, and anticipated to re-open the third week of November 2010. Traffic will be diverted to the northbound, left-hand lane of Belcher Road between these intersections. This work is part of the multiple-phase Belcher Road Water Main Replacement Program that stretches from East Bay Drive to Bryan Dairy Road.
