

IMPROVING OUR ROADS FOR THE FUTURE

Begins November 6, 2009

CSX Transportation and Pinellas County Public Works are upgrading the railroad crossing at Keene Road between Sunset Point Road and Drew Street (State Road 590) in Clearwater. In addition, the roadway, sidewalks and area drainage will be upgraded and improved.

The project will begin on November 6, 2009 and is expected to last for 30 days. The project area will allow local traffic only. Hercules Avenue, east of Keene Road, is the suggested detour route. Signs have been placed to provide motorists with the detour information.

While this construction may inconvenience travelers during the closure, the project will significantly improve the road for many years to come.

If you have questions about this project, please call Pinellas County Public Works at (727) 453-3320 or visit www.pinellascounty.org/roadwork.htm
