

Ozona Public Meeting Notice !

In October of last year, the PINELLAS COUNTY PLANNING DEPARTMENT held a public meeting at the Ozona Village Hall to talk about partnering with the Ozona Community to establish a Community Overlay.

Since there were a lot of questions from residents and business owners about the impact of the Community Overlay proposal discussed at this meeting and afterwards, we decided we need to spend more time listening to you !

So, please come to the next public meeting !

**6:30 pm on February 27, 2007
Ozona Elementary School Cafeteria

Because we want to hear more from you about...

- The distinctive character of the Ozona community
- Things you would like to retain and protect about that character
- Things you might like to change in your community
- How should we proceed with establishing a Community Overlay for Ozona? Who should work on drafting the proposal?
