

Results from February 27, 2007 Ozona Community Meeting Questionnaire

Question	Yes	No	Not Sure
<i>Even though communities change over time, do you think there are certain characteristics/ features of Ozona that should be retained or preserved because they are essential to the “character” of Ozona? If yes, please describe those essential characteristics or features you think should be retained or preserved. (Listed on next page)</i>	46	6	2
<i>Are community streets in Ozona safe for pedestrians and bicyclists</i>	30	22	
<i>Do you work within walking/biking distance of your home?</i>	27	30	
<i>If you have children do they walk/ride a bike to school?</i>	8	22	
<i>What should be the level of engagement by the County in working with the community to retain the essential characteristics of Ozona?</i>			
<i>A- County involvement should continue as currently conducted, referring to the guidelines contained in the 1998 Ozona Community Statement and County Resolution 01-46 (designating Ozona as a historically-significant community) to help guide County and community decisions.</i>	A = 34		
<i>B- The community and the County should work together to consider additional opportunities for assisting Ozona in preserving its distinct character. These opportunities could include consideration of an amendment to the Comprehensive Plan to designate Ozona with a “Community Overlay” or adoption of other official Board policy that would have more influence on County decisions.</i>	B = 16		
<i>C- Not Sure</i>	Voted for A&B = 4		
	C = 8
