Source: Interlocal Service Delivery Report, 2003.

Note: Oldsmar was a wholesale customer, but is a retail PCU customer as of October 1, 2006. Dunedin and St. Petersburg can receive wholesale water for emergency purposes; their populations are not routinely included in the WDPA.

*Only provides treated water; water distribution to customers is provided by applicable municipal system as noted. Footnote to Service Provider/Service Recipient Relationship (Potable Water Systems).

¹Water to Bear Creek area is supplied, on a retail basis, by the City of Gulfport. 10/2003

¹ Pinellas County Utilities (PCU) buys surplus reclaimed water from Clearwater and Oldsmar to use in PCU's reclaimed distribution system.

² St. Petersburg and Largo supply reclaimed water to PCU's Solid Waste Operations.

³ Will be retail customers of PCU when transmission line construction completed. Will also include Sand Key area of Clearwater.

⁴ PCU provides reclaimed water on a retail basis to areas around and south of 54th Ave. that are in the City of St. Petersburg sanitary sewer district, but unincorporated county. Mutual understanding between PCU and the City of St. Petersburg does this, there is no agreement in place. Areas include: Five Towns Condos, Parkside Condos, Townhomes of Park Place, 6000 Park Place, Bonnie Bay Villas, and Club Charlet MHP. Master meters in place. Source: Pinellas County Utilities, 2003.

⁵ Golf courses only except Lansbrook, which also includes residential customers.

Note: PCU provides reclaimed water on a retail basis to areas around and south of 54 Ave. that are in the City of St. Petersburg sanitary sewer district, but unincorporated county. Mutual understanding between PCU and the City of St. Petersburg does this, there is no agreement in place.
