### Bulk Item Disposal for Unincorporated Areas

*large, bulky materials that don't fit in your trash can*

[ **No hazardous items are accepted!** ]

1. If you live in a municipality, see [Bulk Item Disposal by Municipality](#).
2. If you live in unincorporated Pinellas (not within a city's limits):
  - a) **Call** your garbage company to ask if the bulk item would be accepted with your normal trash pickup.
  - b) **Haul** items to [Solid Waste Operations](#) (\$37.50/ton or flat rate for qualifying vehicles).
  - c) **Hire** a commercial hauler that picks up bulk items (see list below). For large amounts, such as a remodeling project or garage cleanout, some haulers offer rentals of "roll offs" (large dumpsters) or trailers.
