Event Recycling

Green your event by recycling cans and bottles!

You can recycle at any special event—festivals, concerts, fairs, block parties, parades, weddings, etc.

- To boost participation, **place trash and recycling containers together** in pairs. Make sure each is clearly marked.
- For a **small event**, put “Recycle Cans & Bottles Here” signs on a few trash cans, and take the collected items to the nearest [drop-off recycling center](#).
- For a **large event**, arrange recycling with a provider (see tables below). You can borrow bins or pay a private company to provide bins. If you collect aluminum cans, you can generate revenue by selling them to a [metal recycler](#).
- If you would like to purchase **recycling containers**, see [Special Events Recycling Container & Equipment Directory](#) by Kessler Consulting (19 pages, 2.2 MB pdf)
- For tips on **greening your event**, see [Special Events Waste Reduction & Recycling Guide](#) by Kessler Consulting (80 pages, 3.6 MB pdf)
- For recycling **leftover food**, see [Food Donations](#).
