Open 7 a.m. - sunset/7 days

RECYCLING GUIDELINES

No plastic bags please!

Aluminum Cans – Empty aluminum cans used for drinks or food (such as soda or cat food cans). Rinse and crush if possible.

Cardboard – Clean, empty, dry corrugated (3-layer) cardboard boxes or packaging. Please flatten boxes. No pizza boxes.

Glass Bottles or Jars – Empty glass bottles or jars (all colors). Labels okay. No caps or lids.

Milk or Juice Cartons – Empty gable-top beverage containers such as milk, half and half, or orange juice cartons. Rinse and crush if possible. At the drop-off recycling sites, please put cartons in the plastic bottles recycling bin, not the cardboard bin.

Newspapers – Clean and dry newspapers (including inserts). No string or twine. It's okay to put them inside a paper bag.

Plastic Bottles – Empty plastic bottles with a “neck” (opening smaller than the base) such as water, soda, shampoo, or ketchup bottles. No need to check for #1 or #2—just “check for a neck”. Bottles only; no tubs, cups, or bags. Labels okay. No caps or lids. Rinse and crush if possible.

Steel (Tin) Cans – Empty steel cans used for food such as soup or vegetable cans. Labels and lids okay. No aerosol cans or paint cans. Rinse if possible.

NOTE: Please take **Phone Books** to a convenient [drop-off site for phone book recycling](#).
