

Update

Save WATER... Save Money!

Homeowners, you can learn how to make your irrigation system more efficient through the **Effective Irrigation Practices** course offered at St. Petersburg College. This course will be offered twice this fall at St. Petersburg College's Corporate Training Center located at 14044 ICOT Blvd., Clearwater, Florida. Consider enrolling for the Saturday, September 15, 2001 or the Saturday, October 20, 2001 class. Both will meet from 9:00 am to noon. The cost for this class is \$35. For more information, please call **(727) 341-4440**.

St. Petersburg College also offers degree-level courses in **Irrigation Management, Landscape Technology** and **Pest Control Management**. These courses are excellent for professionals looking to upgrade their skills as well as students wanting to obtain associate's degrees.
