

Free Recycled Mulch

Pick up mulch at convenient sites around the county.

Mulch FAQs

Where can I get free mulch?

Recycled mulch is available at the 20 locations listed. The site numbers correspond to the fold-out [map on page 3](#).

What is recycled mulch?

Clean loads of yard trimmings (such as tree branches, leaves, brush and grass clippings) are processed into mulch.

Will someone load the mulch for me?

Bulk loading is available for pickup trucks and trailers at Pinellas County Solid Waste. Other mulch sites are unstaffed. Please bring a pitchfork or shovel, and help yourself. Be prepared with a tarp or vehicle cover to keep your mulch load secured.

How much mulch can I take?

There's no limit while supplies last.

Why is free mulch provided?

Recycling yard waste into mulch keeps usable material out of the landfill and provides a valuable product for citizens. Mulch not only makes landscaping more attractive, but it also saves water by conserving soil moisture.

Is recycled mulch safe?

Yes. Weed seeds, plant diseases and pest insects are eliminated using a natural heating and decomposition process prescribed by the University of Florida. The result is a high-quality landscaping product.

CLEARWATER

61 Moccasin Lake Nature Park
2750 Park Trail Ln., east of U.S. Hwy. 19 N. (793-2976)
