Please note that your pet(s) will be housed in a separate area. Only the Caretaker listed above (one caretaker per family) will have access to these pets. The Caretaker is responsible for the care of all pets listed including feeding, cleaning and walking.

In the event that I am unable to return for/care for my pets I authorize the following person to take custody of all pets listed within this document:

Name_________________________ Address:_____________________ Phone:_______________

☐ My pet(s) has/have a previous history of aggressive behavior to humans or animals.

I understand that if my pet(s) has/have a previous history of aggressive behavior to humans or animals, my pet(s) will be boarded at Pinellas County Animal Services (PCAS) for the safety of other humans and animals.

I certify that my pet has not been diagnosed with any contagious diseases and is parasite free.

While it is the intent of PCAS to obtain written consent from the Pet Owner to perform emergency or necessary medical procedures or treatments on my pet(s), this may not always be possible, especially in time sensitive situations. Therefore, I, the undersigned Pet Owner, give PCAS consent for emergency or necessary medical procedures or treatments to be performed on my pet(s) during this sheltering event. **Pinellas County will not be held responsible for any complications that may arise.**

I hereby agree to hold harmless the County, its officers, employees, agents and volunteers involved in the care and sheltering of the above-referenced pet(s) from any damage or injury occurring as a result of the care, sheltering and/or caretaking of the pet(s) listed above.

I have read, understood and accept the above conditions and attest the information on this application is true to the best of my knowledge.
