**INSTRUCTIONS AND INFORMATION**

**IMPORTANT:** Failure to obtain a license by the due date or to report a transfer of ownership or loss of a pet may result in issuance of a court citation.

**RABIES VACCINATION AND LICENSE-**

Take your pet to your veterinarian or Pinellas County Animal Services to obtain a rabies vaccination and license.

**LEGAL RESPONSIBILITY - PINELLAS COUNTY CODE CHAPTER 14**

**RABIES VACCINATION -** A current rabies vaccination administered by a licensed veterinarian is required for each dog, cat and ferret over the age of four (4) months. Pinellas County recognizes a one or three year rabies vaccination.

**CAT/DOG LICENSE -** Licenses expire on expiration date of rabies vaccination. A license shall be renewed on or before the date of expiration. All dogs and cats are required to wear a tag, except as otherwise provided under Section 14-61 of the Code

**AT LARGE -** Dogs and cats, regardless of age, must be under restraint when outside the owner's home.

**PENALTIES -** Failure to comply with any portion of the legal responsibilities subjects the owner, harbinger or keeper to legal penalties imposed by the courts. In addition, cats/dogs at large will be impounded and owners charged substantial fees when pets are reclaimed.

**Available at Pinellas County Animal Services only: Have your animal spayed or neutered before current license expires and that next license will be FREE.**

Contact your local veterinarian for sterilization of your pets.
