

Pinellas County Pet Friendly Shelter Application

PET-FRIENDLY SHELTER INFORMATION SHEET

A Pet Friendly Shelter (PFS) should be your last choice in the event of evacuation with your pet. (Cats and dogs only.) Due to extreme limitations on space, please note that the pet-friendly shelters will only open for mandatory evacuations and may only accommodate portions of those citizens (and their pets) who dwell in mobile homes. Priority is given to mobile home residents, then zones A, B and C. You may view the evacuation zones at: http://pubgis.co.pinellas.fl.us/hurricane_txt/

Prior to completing the application, please carefully read the rules of the shelter to ensure that you can comply. In these rules you will find what you will need to provide for yourself and your animal. It is extremely important that you make the proper arrangements prior to the storm.

This application may be downloaded on-line, sent by mail, faxed or emailed:

REGISTRATION AND AGREEMENT RULES

I, _____ (the owner of the pet(s) listed on the reverse side), understand that an emergency exists and that special arrangements have been made to allow my family and pets to remain together at this shelter facility. I understand and agree to abide by the pet care rules contained in this agreement and have explained them to any other family member accompanying me and my pet.

1. My pet will remain contained in a carrier approved by the animal care technician or code enforcement officer except at posted times designated by the shelter staff when I will be able to exercise my pet (if appropriate) and clean its carrier. Dogs will be on a leash any time they are not in their crate/carrier (retractable leashes are not allowed).
2. I agree to properly feed, water, medicate and generally care for my pet as instructed by the animal care technician or code enforcement officer.
3. I agree to properly sanitize the areas used by my pet, including performing proper waste disposal and disinfecting as instructed by the shelter official, animal care technician or code enforcement officer.
4. I agree that only one designated person may be in charge of the animal and allowed in the animal housing area. I further understand that at least one adult family member must stay in the pet friendly shelter in order for my pet to be sheltered.
5. I certify that my pet is current on rabies and all other vaccinations recommended. I fully understand that if my animal should bite or scratch while housed at the shelter the said animal will have to undergo quarantine. State mandates will supersede any rules and Environmental Health will be notified to take over.
6. I will maintain proper identification on my pet at all times to include the neck band issued upon entry.
7. I will not permit any other shelter occupant to handle or approach my pet either while in its carrier or during exercise time. I will make sure the carrier door remains securely latched.
8. I understand that no aggressive animals will be allowed.
9. I understand that no animals will be accepted that show any sign of contagious disease (mange, etc.) or are infested with parasites (fleas, ticks, lice, etc.). I will permit, at the discretion of the shelter official, an Animal Care Technician, Code Enforcement Officer or Veterinarian to examine my pet to make this determination.
10. I further understand that if my pet becomes unruly or aggressive or begins to show signs of a stress related condition it may be removed to a more appropriate location.
11. I understand that any decisions concerning the care and welfare of my pet and the shelter populations as a whole are within the discretion of the shelter official, Animal Care Technician or Code Enforcement Officer.
12. I agree that any equipment used by my pet or myself must remain at the facility and maintained in good, clean condition while I utilize it. All equipment must be left at the shelter upon the removal of my pet.
13. I agree that when it is announced the shelter is closing I must remove my animal from the property. Any animals that are not reclaimed and removed from the shelter will be relocated to the Pinellas County Animal shelter (12450 Ulmerton Road, Largo, FL 33774; phone 727-582-2600) or other shelter and will remain there as a stray as required by County Ordinance and state statute.
14. I agree to provide the following supplies and equipment as applicable for my pet:
 - a. An aircraft acceptable kennel that allows enough room for my pet to stand and turn around as well as supplying ample room for food and water dishes as well as a small litter box for cats
 - b. Leash and collar or harness. I understand that retractable leashes may not be used in the shelter.
 - c. Special diet and any medications necessary for my pet's health.
 - d. Muzzle if needed.

15. I agree to provide essentials for me and any family members accompanying me (personal hygiene items, bedding for a small space, medications and copies of prescriptions, etc...). I realize that space is limited (possibly only 5 feet by 2 feet) and that cots are not provided. I further realize that I am responsible for providing for transportation to the pet friendly shelter for my pet and my family.
16. I agree that if at anytime I fail to follow the rules as set forth my pet and I will be asked to leave the facility.

I certify that my pet has no previous history of aggressive behavior to humans or animals. I certify that my pet has not been diagnosed with any contagious diseases and is parasite free.

I hereby agree to hold harmless all persons, organizations, corporations, or government agencies involved in the care and sheltering of my animals. I further agree to be responsible both personally and financially for any damage or injury created by me or my pet and to indemnify any persons or entities which may have suffered any loss or damage as a result of the care and sheltering of my animal.
