- Cooperative Implementation of Projects

Analysis of Current LOS

<i>Level of Service</i>	<i>Program Management Activities</i>	<i>NPDES Compliance Activities</i>	<i>Operation and Maintenance Program Activities</i>	<i>Capital Improvement Projects</i>
A	Comprehensive Planning + Full Implementation Capabilities	Exemplary Permit Compliance	Fully Preventative/ 100% Routine	10-year Plan
B	Pro-Active Planning + Systematic CIP Implementation Capabilities	Pro-Active Permit Compliance	Mixture of Routine and Inspection Based	20-year Plan ²
C	Priority Planning + Partial CIP Implementation Capabilities	Minimal Permit Compliance ¹	Inspection Based	35-year Plan
D	Reactionary Planning + Minimal CIP Implementation Capabilities	Below Minimum Permit Compliance	Responsive Only (Complaint-based)	50-year Plan
F	No Planning + No CIP Implementation Capabilities	Non-Compliance	Less than full response to all complaints	75-year or More Plan

¹ Note that the current NPDES MS4 LOS degrades to LOS D when the new MS4 permit is issued by FDEP.
