**Recommended Action:**

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BCC), APPROVE AMENDMENT NO. 1 TO THE LAP WITH THE FDOT FOR THE NURSERY ROAD SRTS SIDEWALK IMPROVEMENTS PROJECT PHASE 1A FROM KEENE ROAD TO OAKADIA DRIVE EAST - PLUMB ELEMENTARY SCHOOL, AND AUTHORITY BE GRANTED FOR THE CHAIRMAN TO SIGN AND THE CLERK TO ATTEST.

**Summary Explanation/Background:**

On March 13, 2012, the BCC approved the LAP Agreement with the FDOT for the purpose of FDOT's funding participation in the Plumb Elementary School Safe Routes to School Project. The construction activities will provide for a five foot concrete sidewalk and required drainage modifications along the south side of Nursery Road from Keene Road to Oakadia Drive East. The reason for this Amendment is to correct the project limits to compensate for a 900 foot sidewalk gap determined during a project field review. The limits were changed from Oakadia Drive West to Oakadia Drive East. This correction does not affect the project funding or duration.

The construction activities for this project were awarded by the BCC on September 18, 2012, with commencement of construction scheduled for December 4, 2012. The changed project limits were included in the construction agreement during project advertisement and subsequent award.

This LAP Amendment No. 1 will be forwarded to FDOT for execution following BCC approval.

**Fiscal Impact/Cost/Revenue Summary:**

There is no change to FDOT's funding participation, as outlined in Exhibit B of this Amendment No. 1.
