AGENDA ITEM NO. 6

Consent Agenda ☒

Regular Agenda ☐

Public Hearing ☐

County Administrator's Signature:

Subject:

Residential Traffic Management (RTM) - North Jasmine Avenue from Mary Lane to Sail Harbor Circle

Department:

Department of Environment and Infrastructure

Staff Member Responsible:

David E. Scott, P.E., Executive Director

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS APPROVE THE INSTALLATION OF TWO (2) MULTI-WAY STOP CONDITIONS ON NORTH JASMINE AVENUE AS FOLLOWS: A THREE-WAY STOP CONDITION AT NORTH JASMINE AVENUE AND MARY LANE, AND A THREE-WAY STOP AT NORTH JASMINE AVENUE AND SAIL HARBOR CIRCLE. THIS WORK WILL BE IN ACCORDANCE WITH THE RTM PROGRAM ADOPTED PURSUANT TO RESOLUTION NO. 97-291, DATED OCTOBER 14, 1997, REVISED JUNE 4, 2002 AND JUNE 7, 2005.

Summary Explanation/Background:

The Traffic Engineering Division received a request for relief of speeding on the above referenced roadway. Investigations and studies were conducted. Petitions were distributed, and returned by the residents. The residents provided 83.3% (60% needed) endorsement of the Traffic Calming Plan (TCP), and of the affected property owners, 98.3% (90% needed) were notified. All criteria set forth by the RTM Program have been addressed.

A TCP has been developed, and requires the installation of two multi-way stop conditions. One at North Jasmine Avenue and Mary Lane, the other at North Jasmine Avenue and Sail Harbor Circle.

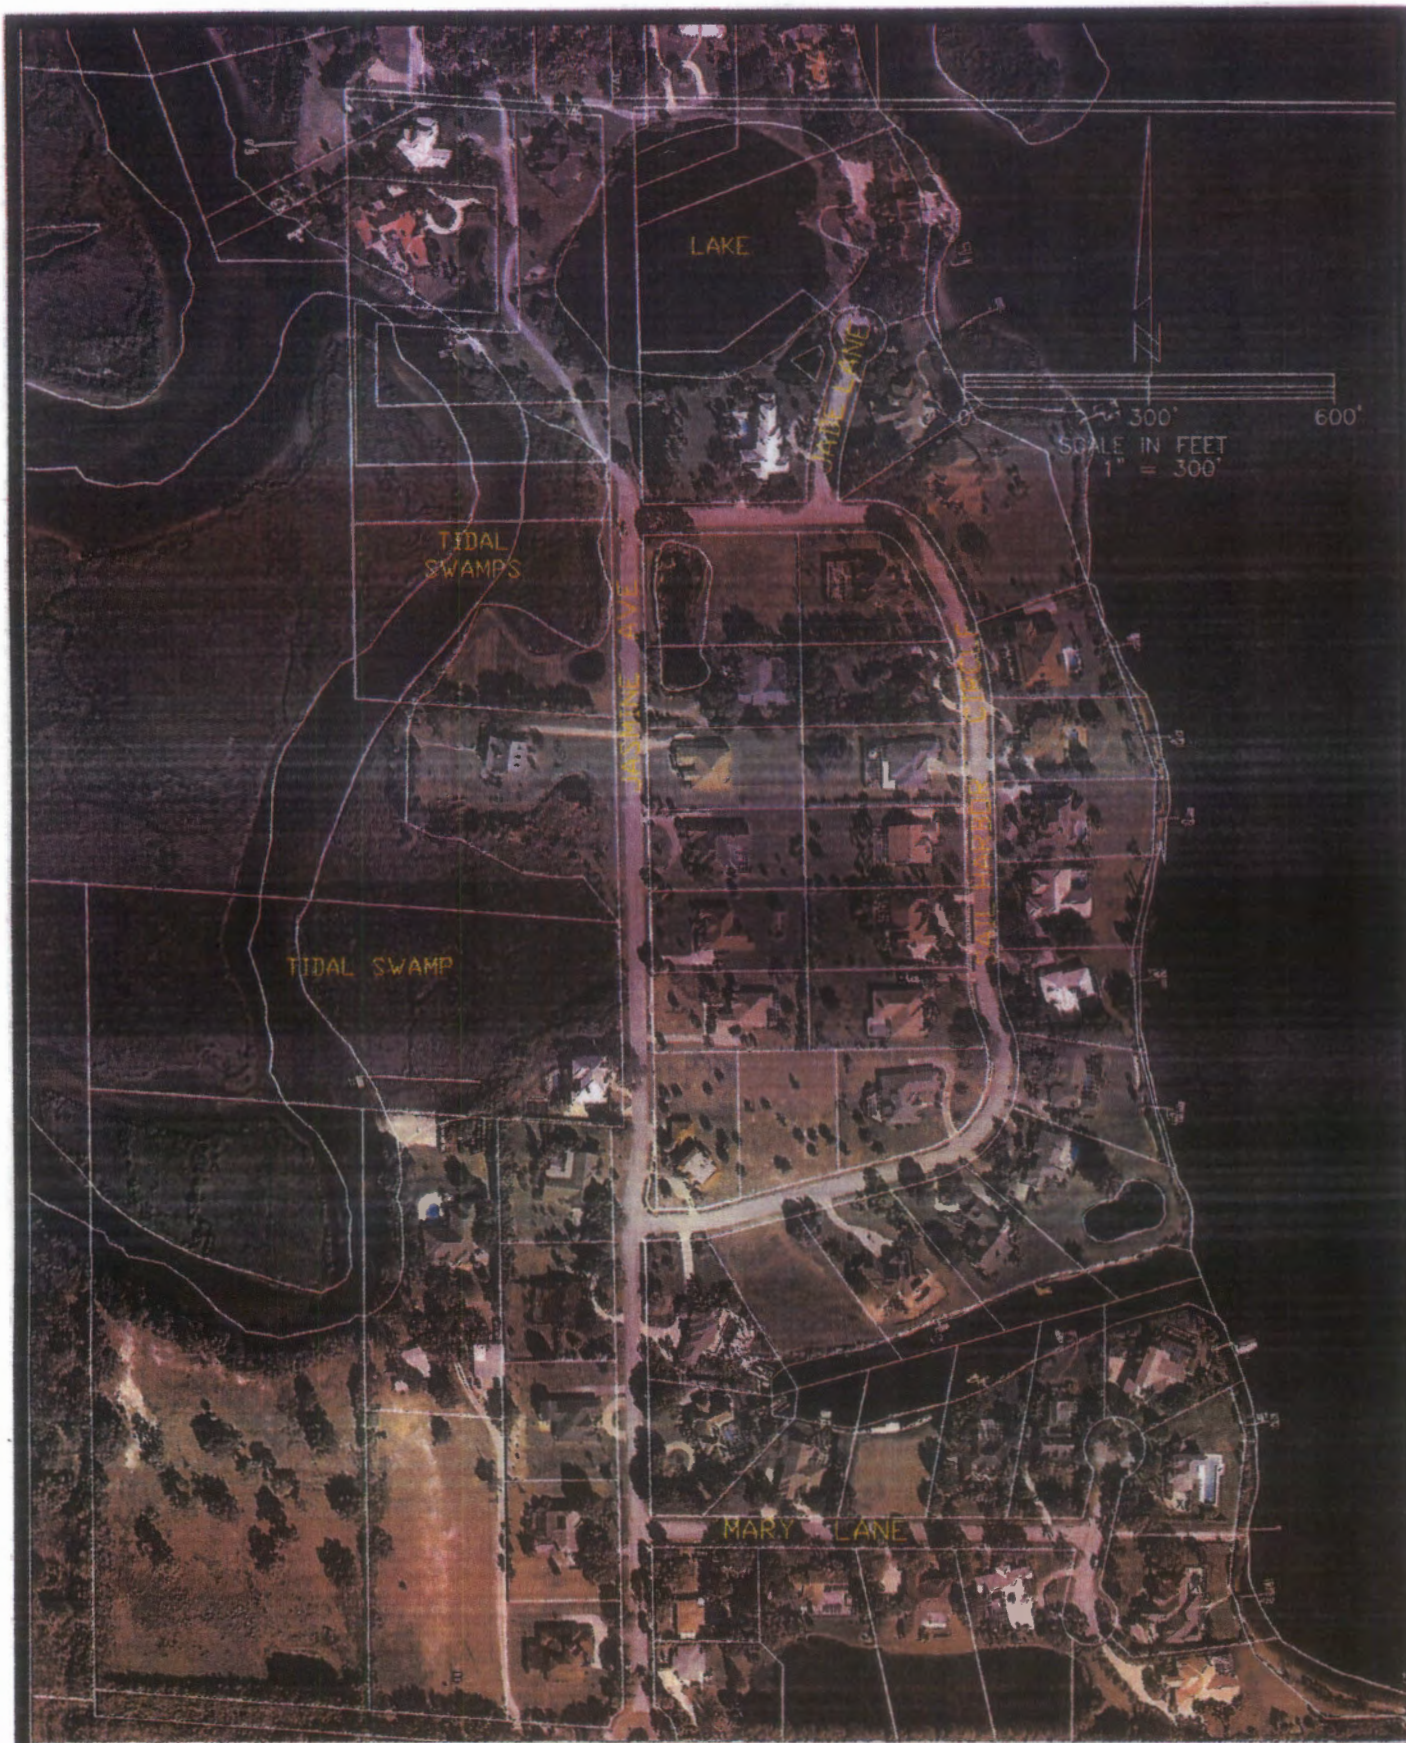

Fiscal Impact/Cost/Revenue Summary:

The TCP will be installed by County forces at an estimated cost of \$3,620.00. The maintenance costs are estimated to be \$532.50 per year.

Funding for this program is included in the Department of Environment and Infrastructure (DEI) Annual Operations and Maintenance Adopted Budget.
