**Recommended Action:**

I RECOMMEND THAT THE BOARD OF COUNTY COMMISSIONERS (BOARD) ADOPT A RESOLUTION APPROVING B2101056719 AS A QUALIFIED APPLICANT PURSUANT TO SECTION 288.106, FLORIDA STATUTES, AND IDENTIFY SOURCES OF LOCAL COUNTY FINANCIAL SUPPORT OF PROJECT B2101056719 AS LOCAL PARTICIPATION IN THE QUALIFIED TARGET INDUSTRY TAX REFUND PROGRAM.

**Summary Explanation/Background:**

Project B2101056719 is an information technology company that wishes to expand to Pinellas County. The economic impact of the project's capital investment is \$860,000. An estimated 200 employees are projected to be hired with annual pay scales of at least 200 percent of the average annual wage for Pinellas County. These earnings would result in an economic impact of \$22 million and a total of 377 direct and indirect new jobs. Additional sites the company is considering are located in Washington DC and Maryland.

Calculated using the U.S. Bureau of Economic Analysis RIMS II Model for Pinellas County.

**Fiscal Impact/Cost/Revenue Summary:**

The total tax refund is \$2.5 million, which is calculated at \$12,500 per job with a total of 200 new jobs. The \$12,500 per job calculation is based on pay scales of at least 200 percent of the average annual wage, a high impact sector bonus, and the property being located in both a Brownfield Area and Enterprise Zone. This incentive returns a portion of taxes paid by the business after the company meets its job creation and wage commitments. Additionally, no more than 25 percent of the total refund approved may be taken in any single fiscal year.

Florida Statute requires 20 percent local financial participation as tax refunds become due. Project B2101056719 is requesting the Board to provide 50 percent of the local match necessary to facilitate the State approval process with the City of Clearwater providing the other 50 percent. The total local financial support requested is \$500,000 of which \$250,000 (50 percent of the local match) is being requested through Pinellas County Government and will be budgeted within the Department of Economic Development. The tax refund will be paid over a series of fiscal years as determined by the State.
