

2013 LAW DAY POSTER EXHIBITION & CONTEST

Sponsored by:
The Clearwater Bar Association

THEME: **Realizing The Dream: Equality For All**

CATEGORIES: 3rd Grade & 4th Grade

Every year the Clearwater Bar Association celebrates Law Day with numerous educational activities for students from first through twelfth grade in north Pinellas County. Third and fourth graders participate in the Poster Exhibition and Contest. This year's theme is "Realizing The Dream: Equality For All." The Clearwater Bar Association received more than four hundred (400) posters from nine (9) elementary schools; Curtis Fundamental Elementary; Dunedin Elementary; Ponce DeLeon Elementary; Highland Lake Elementary; Cypress Woods Elementary; Skycrest Elementary; Eisenhower Elementary; Ridgecrest Elementary; and Belcher Elementary. The students were required to make posters that incorporated the theme of "Realizing The Dream: Equality For All." All of the students' posters were on display in the courthouse lobby from late May to late June.

LAW DAY 2013

Summer-at-a-Glance

- This year, CSA Palm Harbor oversaw an extensive summer camp program, including over two dozen different camp options – from cooking and pre-school to kayaking and sports.
- We transitioned many of our camps that were once contractually hired to our own seasonal camp staff, creating new job opportunities for college students and increasing our revenue.
- We offered two dozen scholarships to our community, offering low-cost camp options to families in need this summer.
- The addition of a new day camp, “Camp Adventure” increased our reach into the community, offering an all-day option for camp, something brand new to CSA Palm Harbor!
- Our kids participated in at least two trips each week to take them somewhere new and exciting, including many destinations throughout Pinellas County.
- Thanks to Paul Cozzie with Pinellas County, our kids were able to utilize John Chestnut Park for a great nature walk and cookout lunch.
- Thanks to the construction workers with Pinellas County, we were able to have the Pop Stansell Park Fishing Pier completely re-built in time for summer camps to utilize it, including our fishing camps!
- 695 families have taken part in one of more of our camp programs!

If you have any questions regarding our summer camp program, please feel free to contact Mathew Eberius, CPRP, at 727-771-6000 or meberius@csapalmharbor.org.
