

Other Administrative Matters

At your January 14, 2014 meeting, staff will be bringing forward a public hearing agenda item related to unanticipated carry-forward of grant funds from Fiscal Year (FY) 2013 to FY 2014. It will appropriate \$270,310 to the Justice Coordination program in the Department of Safety and Emergency Services.

In accordance with Section 129.06(2)(f), Florida Statutes, if the source of unanticipated receipts is not specifically associated with a particular purpose such as grants, donations or reimbursements, this budgetary action requires a public hearing. This public hearing will be advertised in advance of the January 14, 2014 meeting, as per statutory requirements.
