

1.14.14 #1

TO: The Honorable Chairman and Members of the
Board of County Commissioners

FROM: Bob Gualtieri, Sheriff of Pinellas County

SUBJECT: Recommendation to Adopt a Proposed Ordinance Amending Section 54-2 of the
Pinellas County Code Relating to False Alarms.

DATE: January 14, 2014

RECOMMENDATION: IT IS RECOMMENDED THAT THE BOARD OF COUNTY COMMISSIONERS ADOPT THE PROPOSED ORDINANCE AFTER TAKING COMMENTS AT PUBLIC HEARING.

DISCUSSION: The attached proposed ordinance contains revisions to section 54-2 of the Pinellas County Code. A previously enacted County ordinance provides a mechanism for the Sheriff's Office to monitor security alarm systems within the Sheriff's service area. Those who register are permitted two false alarms per year at no charge. An escalating fee is assessed for each false alarm after the first two false alarms. Once the notice is issued, the party responsible can either pay the fee or request a hearing to contest the validity of any notice of false alarm or fee assessment. If the responsible party does not pay the fee and does not request a hearing, currently, there is no provision in the ordinance to enforce compliance.

The proposed ordinance adds section 54-2(d)(5). This section provides that when a person fails to pay the service fee assessed and also fails to request a hearing, the Sheriff's Office will notify the responsible party of their right to appear at a hearing to show-cause why the violation should not be found to be a violation of the code. This show-cause hearing would be conducted before a Hearing Officer who will make a written finding whether there is probable cause that the responsible party is in violation of section 1-8 for the failure to comply. If probable cause is found by the Hearing Officer, the Sheriff's Office will issue the ordinance violation to the responsible party pursuant to that section.

The proposed ordinance also lowers the fee assessed. These fees are assessed in part to provide incentive for responsible parties to register their alarms. These lower fees will continue to meet that objection, but unlike the amount originally listed, the proposed ordinance lists the fees below the Class V fine amount contained in the Uniform Fine Schedule which becomes applicable if an ordinance violation is issued.

Last, the propose ordinance removes the cost to request a hearing to challenge the validity of the fee assessment. The proposed ordinance assesses costs only on the following conditions: the responsible party cancels the hearing or requests to continue the hearing without providing notice or the Hearing Officer affirms the notice of the false alarm.
