Subject:

Declare Surplus and Authorize the Sale of Miscellaneous County-Owned Equipment and Vehicles.

Department:

Real Estate Management

Staff Member Responsible:

Paul S. Sacco, Director

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) DECLARE SURPLUS AND AUTHORIZE THE SALE OF THE ATTACHED LISTS OF MISCELLANEOUS EQUIPMENT AND VEHICLES.

IT IS FURTHER RECOMMENDED THE BOARD APPROVE THE DISTRIBUTION OF THE PROCEEDS FROM VEHICLES SOLD FROM GOVERNMENTAL FUNDS TO THE FLEET INTERNAL SERVICE FUND TO OFFSET THE REPLACEMENT COST OF FUTURE VEHICLES.

Summary Explanation/Background:

Determination has been made that the usefulness of the listed miscellaneous equipment and vehicles to County operations has been exhausted. Excluding any interested governmental agencies these assets are to be liquidated through public auction conducted by Tampa Machinery Auction and GovDeals.com under provisions of the existing approved contracts.

For rolling stock, Fleet Management staff evaluates units that have reached the end of their specified retention period and are scheduled for replacement. Factors including age, mileage, and historical cost as compared to other units within the same class, operating cost per mile, anticipated repairs, and physical condition are considered. Based upon this evaluation, the projected increase in repair and maintenance costs, and the estimated decrease in salvage value (at auction) associated with retaining the unit for an additional year is quantified. If these costs exceed the annual replacement assessment, the unit is deemed to have reached the end of its useful economic life. Occasionally, a unit that has not reached the end of its useful economic life is recommended for surplus. In these instances, it has been determined that the unit is no longer needed due to a change in mission and cannot be reallocated within the organization.

On January 20, 2014, Real Estate Management will distribute to Suwannee County Board of County Commissioners, per Board approved resolution on March 18, 2003, a Notice of Surplus Equipment.

On January 27, 2014, Real Estate Management will distribute to Interested Governmental Units, Board Dependent Districts, and all Department Directors under the jurisdiction of the Board of County Commissioners, Constitutional and other Elected Officials, and other Departments, a Notice of Surplus Equipment.

On February 03, 2014, Real Estate Management will distribute to Social Action Funding entities, a Notice of Surplus Equipment.

Fiscal Impact/Cost/Revenue Summary:

Revenues derived from Surplus sales vary at each auction
