APPOINTMENTS TO THE PINELLAS COUNTY ECONOMIC DEVELOPMENT COUNCIL

On June 10, 2003, the Board of County Commissioners approved an ordinance providing for the repeal of Section 2-441 of the Pinellas County Code, which had previously created the St. Petersburg/Clearwater Area Economic Development Council. Section 2-441 of the Pinellas County Code was restated to create the Pinellas County Economic Development Council.

The ordinance states that the Council is to be made up of not more than 100 members who are to be appointed by the Board of County Commissioners. Members shall serve two-year terms, and are to be nominated by businesses, business organizations, business trade associations, and the Board of County Commissioners.

Several of our current members' terms are expiring in July 2014. With the Board's approval, the names below are being submitted for re-appointment for another 2-year term, ending in July 2016. There are also new appointments going before the Board for approval with term expirations set for July 2016.
