

Commission Agenda Date: August 19, 2014

Item No: 21

Other Administrative Matters:

At your September 11, 2014 Board meeting, Transportation and Stormwater staff will be bringing forward a public hearing agenda item related to the Surface Water Rate Resolution for the Fiscal Year 2014-2015 Surface Water Service Assessment. Annually, the Surface Water Service Assessment is brought to the Board for adoption. On June 24, 2014, the Board adopted the Preliminary Surface Water Rate Resolution to establish the top rate at which the surface water assessment may be levied. It was also determined that the Public Hearing and adoption of the Annual Surface Water Rate Resolution would be presented at your September 11, 2014 meeting at 6:00 P.M. The final rate can be at or below the assessment rate established in the Initial Surface Water Rate Resolution.

In accordance with the Uniform Assessment Collection Act and pursuant to the procedures provided in Sections 166-506 and 166-561, Pinellas County Code, the local government requires a public hearing when adopting or reaffirming the non-ad valorem assessment roll. This public hearing will be advertised in a newspaper of general circulation at least twenty days prior to the September 11, 2014 meeting, as per Section 166-503, Pinellas County Code.
