Subject:

Declare Surplus and Authorize the Sale of Miscellaneous County-Owned Equipment and Vehicles.

Department:

Real Estate Management
Business and Technology Services

Staff Member Responsible:

Paul S. Sacco, Director
Martin Rose, Chief Operations Officer

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) DECLARE SURPLUS AND AUTHORIZE THE SALE OF THE ATTACHED LISTS OF MISCELLANEOUS EQUIPMENT (AUCTIONS 390, 391 AND 393) AND VEHICLES (AUCTIONS 44 AND 45) TO THE HIGHEST RESPONSIBLE BIDDER, PER SECTION 274.05 FLORIDA STATUTES AND THE BOARD'S SURPLUS DISPOSITION PROCEDURES.

Summary Explanation/Background:

Determination has been made that the usefulness of the listed miscellaneous equipment and vehicles to County operations has been exhausted. Excluding any interested governmental agencies, and approved non-profit agencies, these assets are to be liquidated through public auction conducted by Tampa Machinery Auction and GovDeals.com under provisions of the approved contracts.

For rolling stock, Fleet Management staff evaluates units that have reached the end of their specified retention period and are scheduled for replacement. Factors including age, mileage, and historical cost as compared to other units within the same class, operating cost per mile, anticipated repairs and physical condition are considered. Based upon this evaluation, the projected increase in repair and maintenance costs, and the estimated decrease in salvage value (at auction) associated with retaining the unit for an additional year is quantified. If these costs exceed the annual replacement assessment, the unit is deemed to have reached the end of its useful economic life. Occasionally, a unit that has not reached the end of its useful economic life is recommended for surplus. In these instances, it has been determined that the unit is no longer needed due to a change in mission and cannot be reallocated within the organization.

Following Board approval, Real Estate Management will distribute a Notice of Surplus Equipment (Notice) to Suwannee County Board of County Commissioners, Pinellas County School Board, and the Juvenile Welfare Board, per Board approved resolution on January 14, 2014.

Notice will also be distributed to interested governmental units, Board dependent districts, Department Directors under the jurisdiction of the Board, Constitutional and other Elected Officials, other Departments and social action funding entities.

Fiscal Impact/Cost/Revenue Summary:

Revenues derived from Surplus sales vary at each auction.

Proceeds from the sale of Auction 390 and 391 will be returned to the General Fund.

Proceeds from the sale of Auction 393 will be distributed to the Business Technology Services Enterprise Capital Improvement Plan Fund.

Proceeds from the sale of Auction 44 and 45 will be distributed to the Fleet Internal Service Fund to offset the replacement cost of future vehicles.
