MEMORANDUM

TO: The Honorable Chair and
Members of the Board of County Commissioners

FROM: Commissioner Charlie Justice 

CC: Mark Woodard, County Administrator
Jim Bennett, County Attorney
Paula Gonya, Agenda Coordinator

DATE: September 2, 2014

SUBJECT: Appointments to the Youth Advisory Committee (YAC)

The Pinellas County Youth Advisory Committee, re-established by the Board of County Commissioners in 2011, was developed as a vehicle for young people to provide input and assistance to the Pinellas County Commission. We have advertised widely and hosted an open house for students interested in joining the Youth Advisory Committee for the 2014-2015 school year. This year we had a total of twenty-four applicants, each seeking a one year appointment. The resolution that established the Youth Advisory Committee limits the Committee to fifteen members.

I request that the Board of County Commissioners review and select for appointment a total of fifteen student applicants to serve on the Pinellas County Youth Advisory Committee for the 2014-2015 school year.

A copy of each application is attached for your review.

my_name-- Brooke Jaffe

school-- St.Pete High School

grade-- 9th

careergoals-- My career ambition is to one day be the president of the United States. I understand that it will take many long and challenging steps to get to my goal but I am willing to work hard to achieve my dreams. I plan on attending Northwestern University or Berkley once I graduate from the IB program I am currently enrolled in at St.Petersburg High School. From there I wish to attend law school and secure a political internship. My biggest stepping stone to becoming president at the moment is making sure that I secure my spot in an ivy league college. Being a YAC member would definitely improve my resume and heighten my chances of getting in which is one of the many reasons that I am interested in participating. YAC will also teach me leadership and communication skills that are essential to one day being a major politician.

extracurricular-- Currently, I participate in my schools debate team, student government association (I am currently working on a campaign for class president), and Spanish club. The debate team will help me establish good improvisation and oral delivery skills whilst I've always loved giving back and helping out my fellow peers which are some benefits of participating in my schools student government. The Spanish club gives me an opportunity to increase my knowledge of the wonderful Hispanic culture and my ability to comprehend the language better which will not only help me in Spanish class but in every day life.

hobbies-- Some of my hobbies and interests include acting, writing, beauty cosmetics, and doing fun activities with my close friends. I love acting and writing because they are forms of self expression that can be delivered in many ways. Acting is a way to step outside of my comfort zone while writing is used as a personal escape whether I want to record my day in a notebook or write a poem based off my feelings directed at a subject I am passionate about. Beauty cosmetics (a.k.a makeup!) is an interest of mine that can throw people off a little bit. The reason I am so interested in feminine products such as mascara, powder etc...and wear these things often is because as someone who is highly sociable, I understand that it is important to always look your best. Makeup is not there to mask your features, it is there to

enhance them. It helps me be more assertive with people because I feel the confidence to look them directly in the eye while I speak when I am wearing makeup. It is also another form of self expression. I am also very interested in hanging out with my friends which is considered common but has a much deeper meaning to me. I enjoy affiliating myself with positive influences that have similar goals and aspirations in life. By surrounding myself with optimistic peers I am able to stay motivated and encouraged to continue my IB journey.

communityservice-- I helped make decorations for our local Ronald McDonald house, I visited an underprivileged preschool in my area and volunteered with the children for the day. I also did a three hour long trash clean-up of Fort Desoto Beach. When I was younger I volunteered in nearby retirement homes as well to instill the value of giving back at a young age.

goals-- My goals and ambitions as a member of the YAC is to make a difference in not only my high school, but in all Pinellas county institutions. To me it is very important to ensure that not only me and my fellow students are given a chance to speak our minds, but that everyone is given the ability to form and share their opinions. Since not every single child is able to join YAC I would feel honored to be able to represent my student body and make the right choices on their behalf. My goal is to make not only my fellow IB members proud and satisfied, but all students of Pinellas County. I would love to not only meet with local politicians while in YAC, but possibly converse with some politicians of the state to vocalize my opinion along with my other YAC members. I wish to not only help teenagers though, but to have YAC enable me to volunteer in service projects that will benefit everyone. Overall, my goal and ambition as a member of the YAC is to have a productive four years where I contribute to the best of my ability and bring pride to the Pinellas County.

hobbies-- My hobbies include playing the flute and piccolo in the several bands at St.Petersburg High School. I am also an active member in the St.Pete High Speech and Debate

team. I teach policy debating and public forum debating to the new members of the debate team. My interests include debating every weekend at a local, regional or national debate tournament. Besides this, I enjoy reading and traveling to Greece, Albania, Italy and England.

communityservice-- I have worked in several political campaigns including the 2012 Presidential Campaign, the 2013 Congressional Campaign and also did some volunteer work at the Mayoral campaign. I also volunteer at Alhambra and occasionally do music therapy work there too. I have also just started my volunteer journey at All Children as a music therapy volunteer. Another community service project that I have been involved with is Heifer International. My friends and I did car washes to raise money for the organization to send to countries in the Balkan region.

goals-- My goal as a member of the YAC would be giving students like me a voice in the government. I would want to also raise money to students who can't afford school supplies for the year. I also aspire to help YAC work with children just now entering the United States. I want to help the community in as many ways as possible and this will help me achieve this goal.

careergoals-- As of now I can not specifically say what career I would like to pursue but I would like a job that works directly with people.

extracurricular-- At the moment I am not involved in any extra curricular activities but I hope to join the Spanish Club and a few others that are offered at my school.

hobbies-- My hobbies include writing, reading, and playing the piano.

communityservice-- My family and I have been involved with Neighbors to Neighbors, an organization that delivers Christmas trees, meals, and toys to underprivileged families who cannot afford them.

goals-- My goals and ambitions for YAC are to get more involved with the community and to develop a better understanding of the government.
