 County Administrator's Signature:

Subject:

Public Hearing for Consideration and Adoption of Tentative Millage Rates and Budgets for FY2015.

Department:

Office of Management and Budget

Staff Member Responsible:

Bill Berger, Director

Recommended Action:

I RECOMMEND THAT THE BOARD OF COUNTY COMMISSIONERS (BOARD) ADOPT THE ATTACHED RESOLUTIONS APPROVING THE TENTATIVE MILLAGE RATES AND BUDGETS FOR FY2015.

Summary Explanation/Background:

On July 15, 2014, the County Administrator delivered the FY2015 Proposed (Tentative) Budget to the Board of County Commissioners. The proposed ad valorem millage rates were then certified to the Property Appraiser on August 1, 2014 for inclusion in the Truth in Millage (TRIM) Notices. The TRIM notice sets the tentative millage rates, which are the maximum millage rates. These notices, which were mailed to all county property taxpayers on August 22, 2014, also contained the notice of the time and place of this public hearing.

Subsequent to the presentation of the FY2015 Proposed budgets by the County Budget Officer in accordance with Section 129.03, Florida Statutes, revisions were made to the tentative budgets as directed by the Board of County Commissioners along with technical changes required to reflect accounting treatment, corrections, reclassifications and organizational changes. An itemized list of these revisions was distributed to the Board along with revised tentative budget pages. The Summary of Changes to the FY2015 Proposed Budget is attached and the changes have been incorporated in the tentative budget resolutions.

The order of business and content of this first Public Hearing on the FY2015 Budget are mandated by Florida Statutes, specifically Sec. 200.065, F.S. At this hearing, the Board is asked to adopt resolutions that approve tentative millage rates and budgets for the various entities for which the Board is the taxing authority.

Adoption of the attached resolutions provides the FY2015 Proposed millage rates within the statutory requirements. Final approval of the millage rates and budgets will occur at the final public hearing on September 23, 2014, which must be noticed by prescribed advertisements in a newspaper of general circulation in the community.

Fiscal Impact/Cost/Revenue Summary:

Tentative approval of the FY2015 millage rates and budgets for County-wide, Municipal Services Taxing Units, and other taxing districts is required to comply with Florida Statutes.

DEPARTMENT OF ENVIRONMENT AND INFRASTRUCTURE SIMPLIFICATION INITIATIVE

The Department of Environment and Infrastructure (DEI) Financial Simplification Initiative established a process using an Internal Service Fund to simplify financial transactions in those cost centers providing DEI support. This will provide significant administrative savings with all stakeholders involved in processing DEI financial transactions and should reduce the number of transaction errors. Eight DEI cost centers and seven Internal Service accounts have been identified for the simplification effort starting in FY15.

DEI SUPPORT SERVICES FUND (5007)

DEPARTMENT OF ENVIRONMENT & INFRASTRUCTURE

Expenditures for the DEI Support functions included in the Financial Simplification initiative are now accounted for in the new fund. Although the new fund increases the overall bottom line total for the County budget, this is only a reflection of the change in accounting and is not an increase in the actual cost of providing these support services.
