Subject: Public Hearing to Adopt the Proposed Interlocal Service Boundary Agreement

Department: Planning and Development Services
Staff Member Responsible: Jacob Stowers, Interim Executive Director

Recommended Action:
I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) HEAR PUBLIC COMMENT TO ADOPT THE ATTACHED ORDINANCE ADOPTING THE PROPOSED INTERLOCAL SERVICE BOUNDARY AGREEMENT AND AUTHORIZE THE CHAIRMAN TO SIGN THE INTERLOCAL SERVICE BOUNDARY AGREEMENT.

Summary Explanation/Background:
The proposed Ordinance would adopt the attached interlocal service boundary agreement (ISBA) to allow non-contiguous voluntary annexation within Type A enclaves. Type A enclaves are defined in the Florida Statutes as an unincorporated improved or developed area that is enclosed on all sides by a single municipality. The map included with the proposed ISBA shows the location of Type A enclaves within Pinellas County. The process used in developing the ISBA is specifically laid out in Chapter 171, Part II, of the Florida Statutes. The following nine municipalities have participated in negotiations with Pinellas County in developing the ISBA and, along with the County, are signatories to the Agreement: Clearwater, Dunedin, Kenneth City, Largo, Pinellas Park, Safety Harbor, St. Petersburg, Seminole and Tarpon Springs.

The Board initiated the process to negotiate development of an ISBA in December 2011, with the objective of promoting more sensible municipal boundaries that reduce the cost of local government, avoid duplicating local services and increasing political transparency and accountability. The Board also wanted to make sure that a more flexible process for municipalities to annex non-contiguous properties in Type A enclaves would be limited to voluntary annexation.

On July 21, 2014, Staff distributed the proposed ISBA the Board had approved in December 2013 to the nine participating municipalities for adoption as required by Section 171.203(14), Florida Statutes. The Board is also required to adopt the ISBA by Ordinance for it to become effective. County staff is recommending the Board adopt the attached proposed Ordinance that would adopt the ISBA.

Proposed Ordinance Adopting the Interlocal Service Boundary Agreement
ORDINANCE 14 - __

AN ORDINANCE OF THE COUNTY OF PINELLAS ADOPTING AN INTERLOCAL SERVICE BOUNDARY AGREEMENT WITH SEVERAL MUNICIPALITIES IN PINELLAS COUNTY PURSUANT TO PART II OF CHAPTER 171 OF THE FLORIDA STATUTES; PROVIDING FOR THE VOLUNTARY ANNEXATION OF NON-CONTIGUOUS PROPERTY WITHIN AN ENCLAVE AS DEFINED IN SECTION 171.031(13)(A), FLORIDA STATUTES (REFERRED TO AS “TYPE A ENCLAVES”); PROVIDING FOR OTHER MODIFICATIONS THAT MAY ARISE FROM REVIEW OF THIS ORDINANCE AT THE PUBLIC HEARING AND/OR WITH OTHER RESPONSIBLE PARTIES; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, annexation of unincorporated area by the incorporated municipalities of Pinellas County is an ongoing, significant occurrence that has important growth management and service delivery implications to the unincorporated county, the incorporated municipalities, and the citizenry; and

WHEREAS, Part II, Chapter 171, Florida Statutes, entitled the “Interlocal Service Boundary Agreement Act” (Act), provides an alternative to Part I of said Chapter for local governments regarding the annexation of territory into a municipality and the subtraction of territory from the unincorporated area of the county; and

WHEREAS, one of the goals of the process set forth within the Act is to promote sensible boundaries that reduce the cost of local government, avoid duplicating local services and increase political transparency and accountability; and

WHEREAS, Section 171.044(1), Florida Statutes prohibits the voluntary annexation of property that is not contiguous to a municipality and within an enclave; and

WHEREAS, given the highly urban character of Pinellas County, a more flexible process providing for municipalities to voluntarily annex non-contiguous property within an enclave is appropriate and desirable within Pinellas County; and

WHEREAS, Section 171.204, Florida Statutes, authorizes the parties to enter into an Interlocal Service Boundary Agreement as defined in Part II, Chapter 171, Florida Statutes, to permit non-contiguous, voluntary annexation of property within an enclave as defined in Section 171.031(13)(a), Florida Statutes (hereinafter “Type A enclaves”); and

WHEREAS, pursuant to Section 171.203, Florida Statutes, the County, on December 6, 2011, adopted Resolution No. 11-185 and authorized transmittal to the ten municipalities that
contain Type A enclaves and to the five independent special districts that serve these enclaves; and

WHEREAS, the cities of Clearwater, Dunedin, Largo, Kenneth City, Pinellas Park, Safety Harbor, St. Petersburg, Seminole, and Tarpon Springs, the Lealman Special Fire Control District, and the Pinellas Suncoast Fire and Rescue District responded with their respective resolutions to participate in this process; and

WHEREAS, during the negotiation process to develop the Interlocal Service Boundary Agreement, the Lealman Special Fire Control District and the Pinellas Suncoast Fire and Rescue District decided not to continue to participate in the negotiation process and be a party to the Interlocal Agreement; and

WHEREAS, the nine participating municipalities and Pinellas County through negotiations have developed an Interlocal Service Boundary Agreement as set forth in Exhibit 1 to permit voluntary annexation of non-contiguous property within Type A enclaves; and

WHEREAS, according to Section 171.203(14) of the Florida Statutes, when the participating local governments have reached an interlocal service boundary agreement, the county and the municipalities must adopt the agreement by ordinance.

NOW, THEREFORE, BE IT ORDAINED, by the Board of County Commissioners of Pinellas County, Florida, in its regular meeting duly assembled on this ___ day of ___, 2014, that:

SECTION I: PURPOSE AND INTENT

This ordinance, through adoption of the Interlocal Service Boundary Agreement in Exhibit 1, provides a more flexibility process for voluntary annexation within Type A enclaves for those municipalities in Pinellas County that are a party to the Interlocal Boundary Service Agreement, subject to the consent of the current owners of the real property being annexed.

SECTION II:

The Interlocal Service Boundary Agreement as set forth in Exhibit 1 is hereby adopted.

SECTION III. SEVERABILITY

If any section, paragraph, clause, sentence, or provision of the Ordinance shall be adjudged by any Court of competent jurisdiction to be invalid, such judgment shall not affect, impair, invalidate, or nullify the remainder of this Ordinance, but the effect therefore shall be confined to the section, paragraph, clause, sentence, or provision immediately involved in the controversy in which such judgment or decree shall be rendered.
SECTION IV. FILING OF ORDINANCE; EFFECTIVE DATE

Pursuant to Section 125.66, Florida Statues, a certified copy of this Ordinance shall be filed with the Department of State by the Clerk of the Board of County Commissioners within ten (10) days after enactment by the Board of County Commissioners. This Ordinance shall become effective upon notice of filing of the Ordinance with the Department of State.
INTERLOCAL SERVICE BOUNDARY AGREEMENT

This INTERLOCAL SERVICE BOUNDARY AGREEMENT is made and entered into on this _____ day of ____________, 2014, by and among the City of Clearwater, City of Dunedin, Town of Kenneth City, City of Largo, City of Pinellas Park, City of Safety Harbor, City of St. Petersburg, City of Seminole, and City of Tarpon Springs, Florida municipalities (hereinafter individually “City” and collectively “Cities”), and Pinellas County, a political subdivision of the State of Florida (herein the “County”), hereinafter collectively referred to as the “Parties”.

WHEREAS, annexation of unincorporated area by the incorporated municipalities of Pinellas County is an ongoing, significant occurrence that has important growth management and service delivery implications to the unincorporated county, the incorporated municipalities, and the citizenry; and

WHEREAS, Part II, Chapter 171, Florida Statutes, entitled the “Interlocal Service Boundary Agreement Act” (Act), provides an alternative to Part I of said Chapter for local governments regarding the annexation of territory into a municipality and the subtraction of territory from the unincorporated area of the county; and

WHEREAS, one of the goals of the process set forth within the Act is to promote sensible boundaries that reduce the cost of local government, avoid duplicating local services and increase political transparency and accountability; and

WHEREAS, Section 171.044(1), Florida Statutes prohibits the voluntary annexation of property that is not contiguous to a municipality and within an enclave; and

WHEREAS, given the highly urban character of Pinellas County, a more flexible process providing for municipalities to voluntarily annex non-contiguous property within an enclave is appropriate and desirable within Pinellas County; and

WHEREAS, Section 171.204, Florida Statutes authorizes the parties to enter into an Interlocal Service Boundary Agreement as defined in Part II, Chapter 171, Florida Statutes, to permit non-contiguous, voluntary annexation of property within an enclave as defined in Section 171.031(13)(a), Florida Statutes (hereinafter “Type A enclaves”); and

WHEREAS, pursuant to Section 171.203, Florida Statutes, the County, on December 6, 2011, adopted Resolution No. 11-185 and authorized transmittal to the ten municipalities that
contain Type A enclaves and to the five independent special districts that serve these enclaves; and

WHEREAS, the cities of Clearwater, Dunedin, Largo, Kenneth City, Pinellas Park, Safety Harbor, St. Petersburg, Seminole, and Tarpon Springs, the Lealman Special Fire Control District, and the Pinellas Suncoast Fire and Rescue District responded with their respective resolutions to participate in this process; and

WHEREAS, during the negotiation process to develop the Interlocal Service Boundary Agreement, the Lealman Special Fire Control District and the Pinellas Suncoast Fire and Rescue District have decided not to continue to participate in the negotiation process and be a party to the Interlocal Agreement; and

WHEREAS, pursuant to Part II, Chapter 171, Florida Statutes, the Parties hereto agree that the following terms and conditions shall direct the manner in which non-contiguous properties within Type A enclaves may be annexed by the Cities.

NOW, THEREFORE, in consideration of the covenants made by each party to the other, the County and Cities agree as follows:

SECTION 1. Recitals. The foregoing recitals are true and correct and are incorporated herein by reference.

SECTION 2. Authority. This Interlocal Service Boundary Agreement ("Agreement") is entered into pursuant to the general authority of Part II, Chapter 171, Florida Statutes.

SECTION 3. Municipal Service Area. Pursuant to Section 171.202(11)(a), Florida Statutes, the Municipal Service Area is defined in this Agreement as the areas within the geographical boundaries of Pinellas County as set forth in Section 7.52, Florida Statutes, that meet the definition of an enclave as defined in Section 171.031(13)(a), Florida Statutes, as "any unincorporated improved or developed area that is enclosed within and bounded on all sides by a single municipality," and as set forth in Exhibit A.

SECTION 4. Voluntary Annexation Within a Municipal Service Area. Each City shall have the authority to voluntarily annex real property within the Municipal Service Area that is not contiguous to that municipality as defined in Section 171.031(11), Florida Statutes, and is enclosed within or bounded on all sides by that municipality. Annexation is considered voluntary through the submission of a petition for annexation by the current property owner. A municipality may not execute a petition for annexation on behalf of a property owner under an existing annexation agreement in order to use the voluntary annexation provisions under this Agreement. If the current property owner withdraws a petition for annexation prior to final
action by the municipality to annex the property, voluntary annexation of that property may not proceed under this Agreement.

SECTION 5. Annexation Agreements. The subject property to be annexed shall not involve a property that is subject to an existing annexation agreement on the effective date of this Agreement without the consent of the current owner(s) of the real property, unless the current owner is a party to the existing annexation agreement and has executed a petition for voluntary annexation. Property annexed pursuant to this Agreement shall not provide the basis for annexing an adjoining property that is subject to an annexation agreement without the consent of the current owner(s) of the real property.

SECTION 6. Procedure for Voluntary Annexation Within a Municipal Service Area. The owner or owners, or his/her or their agent, of real property that meets the requirements of Section 4 above, may petition the governing body of the municipality that said property be annexed into the municipality and the municipality may annex said property. The Parties agree to comply with the prerequisites to annexation as defined in Section 171.204, Florida Statutes and in Chapter 171, Part II, as are applicable. All notice requirements applicable to voluntary annexations under Chapter 171, Florida Statutes, shall be required. Additionally, notice to the property owner by certified mail prior to each reading of the ordinance shall be required. The County and the Cities agree to negotiate in good faith separate joint planning agreements for the Municipal Service Areas in order to comply with Section 171.204(2), Florida Statutes. All agreements relating to annexation existing on the Effective Date of this Agreement, whether settlement agreements or otherwise, between any of the Parties, are not intended to and shall not be amended or superseded by this Agreement and shall remain in full force and effect.

SECTION 7. Effect of Agreement. The procedure of Sections 4, 5, and 6 shall affect only the voluntary annexation of real property located within the Municipal Service Area as established by this Agreement. The procedures provided in Chapter 171, Part I, Florida Statutes governing annexation shall remain in full force and effect, except as modified in this Agreement.

SECTION 8. Term. The term of this Agreement shall be twenty (20) years. The renegotiation of this Agreement, if desired, must begin at least eighteen (18) months before its termination date.

SECTION 9. Periodic Review. The Parties agree to perform a periodic review of the Agreement at the conclusion on the 6th, 12th, and 18th years of the Agreement. The Cities agree to submit to the County the parcel number, date of annexation, size, the County Taxable Value as determined by the Pinellas County Property Appraiser and future land use map designation of each parcel that has been annexed in the prior six year period pursuant to the authority granted in
this Agreement, as well as any issues pertaining to the implementation of the Agreement. The County agrees to collate this information into a summary report.

SECTION 10. Notice. Notice by any of the Parties to the other Parties pursuant to this Agreement shall be given in writing and hand-delivered or mailed via certified mail, return receipt requested as follows:

SECTION 11. Construction. This Agreement shall be construed as an expression of inter-agency cooperation enabling the parties to conduct annexations within the Municipal Service Area established herein in a more efficient manner. However, this Agreement shall not be construed as delegating or authorizing the delegation of the constitutional or statutory duties of either party to the other.

SECTION 12. Filing; Effective Date. This Agreement shall take effect on November 1, 2014.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals as of the date set forth above.
