Staff Member Responsible:

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) AUTHORIZE THE ADVERTISEMENT OF A PUBLIC HEARING TO BE HELD AT THE DECEMBER 16, 2014 BOARD MEETING, FOR THE PROPOSED CREATION OF ARTICLE VI OF CHAPTER 118 OF THE PINELLAS COUNTY CODE TO BE KNOWN AS THE PINELLAS COUNTY ECONOMIC DEVELOPMENT AD VALOREM TAX EXEMPTION PROCESS.

Summary Explanation/Background:

The State of Florida has provided for the Economic Development Ad Valorem Tax Exemption process pursuant to Article VII, Section 3, of the Constitution of the State of Florida and Section 196.1995, Florida Statutes, upon the successful passage of a referendum. The electors of Pinellas County have authorized the granting of ad valorem tax exemptions by the successful passage of a referendum held on August 26, 2014.

The economic development ad valorem tax exemption legislation allows Pinellas County to encourage job creation and capital investment by new and expanding businesses, and be competitive in regional and statewide economic development efforts.

The proposed ordinance establishes the Pinellas County Economic Development Ad Valorem Tax Exemption process to provide exemptions from County General Fund and/or MSTU ad valorem taxes for certain new businesses and expansion of existing businesses. As authorized by statute, the Board in its sole discretion may grant an exemption for up to one hundred percent (100%) of the assessed value of all improvements made by or for the use of a qualifying new business and/or of all tangible personal property of such new business, or up to one hundred percent (100%) of the assessed value of all added improvements made to facilitate the qualifying expansion of an existing business and/or of the net increase in all tangible personal property acquired to facilitate such expansion of an existing business. To qualify for an exemption, the improvements to real property must be made or the tangible personal property must be added or increased after approval by motion or resolution of the Board subject to an ordinance adoption, or on or after the day an ordinance is adopted. Property acquired to replace existing property shall not be construed to facilitate a business expansion. The ordinance provides guidelines and criteria for the submission of applications and the Board's consideration of granting such exemptions and is applicable County-wide.

The item was deleted from the October 21, 2014 Board agenda and is being resubmitted for approval.

Fiscal Impact/Cost/Revenue Summary:

There is no direct fiscal impact to the County associated with consideration and enactment of the proposed ordinance. However, as required by Section 196.1995, Florida Statutes and the proposed ordinance, each project considered for an exemption is required to be approved by an ordinance. At that time a financial impact statement will be provided regarding the individual project exemption.
