

BOARD OF COUNTY COMMISSIONERS

DATE: January 13, 2015

AGENDA ITEM NO. 96.

Consent Agenda ☒

Regular Agenda ☐

Public Hearing ☐

 **County Administrator's Signature:**

Subject:

Authorize the signing and recording of the Specific Purpose Survey of Maintained Right-of-Way of Haines Road from U.S. Highway 19 to I-275: 58th Avenue North Segment

Department:

Office of Engineering and Technical Support

Staff Member Responsible:

Kevin J. Becotte, P.E., Director

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) AUTHORIZE THE CHAIRMAN OF THE BOARD TO SIGN THE SPECIFIC PURPOSE SURVEY OF MAINTAINED RIGHT-OF-WAY MAP OF HAINES ROAD FROM U.S. HIGHWAY 19 TO I-275: 58TH AVENUE NORTH SEGMENT AND AUTHORIZE THE CLERK OF CIRCUIT COURT TO RECORD THE MAINTAINED RIGHT-OF-WAY MAP (SHEETS 1 THROUGH 5) IN THE MAINTAINED RIGHT-OF-WAY ROAD PLAT BOOK B.

Summary Explanation/Background:

Pinellas County has regularly maintained and/or repaired the limits of roadway as shown on the attached maintained right-of-way map of Haines Road from U.S. Highway 19 to I-275: 58th Street North segment for at least the immediate past seven (7) years. The property labeled as maintained right-of-way on said map has been vested in Pinellas County, pursuant to the provisions of Section 95.361, Florida Statutes. The deed lines for the adjacent property owners of the County maintained right-of-way either extend beyond the existing edge of pavement and/or the existing roadside drainage features (ditches, headwalls, structures, culverts), and into the paved roadway or the deeds less out the roadway, but provide no clear dimensions. The filing of a maintained right-of-way map, although not required by statute, will be beneficial to clearly define the right-of-way limits that have been vested in Pinellas County pursuant to the statute.

The property owners affected by the maintained right-of-way maps have been provided copies of the maps for the locations specific to their property, as well as notification of the Board meeting prior to the meeting.

Fiscal Impact/Cost/Revenue Summary:

There is no fiscal impact.

Exhibits/Attachments Attached:

Maintained Right-of-Way Map Review Slip
Specific Purpose Survey Maintained Right-of-Way Map consisting of 5 sheets for recording purposes
Aerial exhibit for reference purposes
Letter to Property Owner(s)

LAND SURVEYOR CERTIFICATION

This Specific Purpose Survey was performed for the specific purpose of depicting a survey reference line and locating and depicting the limits of maintained right-of-way. The maintained right-of-way depicted hereon was identified and marked by the Director of Public Works Department through his staff and assigns on September 2, 2014. I hereby certify that to the best of my knowledge and belief this is a true, accurate and complete depiction of a field survey performed under my direction and completed on September 2, 2014. I further certify that said drawing is in compliance with the Minimum Technical Standards as set forth by the Florida Board of Professional Surveyors and Mappers, in Chapter 5J-17.051 and 5J-17.052, Florida Administrative Code, pursuant to Section 472.027, Florida Statutes.

MAINTENANCE AFFIDAVIT

Before me, the undersigned authority, personally Karen Ballard
who after being sworn, deposes and says that she has been employed by the County of
Pinellas, Florida, in excess of seven (7) years, and is now employed by said County
as District Operations Manager; the deponent knows and verily says that Pinellas County
through its employees and contractors has maintained the limits of roadway as shown on
the foregoing map sheets 4 through 5 and that such roadway limits have been regularly
maintained or repaired for the immediate past seven (7) years by Pinellas County,
pursuant to Section 95.361, Florida Statutes.

1. Type of Survey: Specific Purpose Survey (Chapter 5J17-17.052(11)F.A.C.) to locate and depict the Maintained Right-Of-Way as marked in the field by Pinellas County Public Works Department staff on September 02, 2014.
2. Maintained Right-Of-Way line is delineated and adjacent to Pinellas County Property Appraiser Parcel Numbers 35/30/16/00000/430/0200 and 35/30/16/00000/430/0100 along 58 Avenue N as depicted on the map.
3. Survey Data Acquisition Date: September, 2014
Date of Computations: October, 2014
4. Bearings and Coordinates...values shown are based on the State Plane Coordinate System for the West Zone of Florida, North American Datum 1983, 1990 Adjustment. The project control network was established holding the following National Geodetic Survey monuments: Seven 1973 (Latitude = 1,263,121.5834, Departure = 416,695.0953) and Skyview 1973 (Latitude = 1,278,939.0257, Departure = 425,284.4757).
5. Accuracy Statement: All measurements, distances, elevations and features shown were performed in strict accordance with the Minimum Technical Standards set forth in Chapter 5J-17 F.A.C.
6. Abbreviation legend appears upon sheet 2 of the survey map.
7. Intended Features: Survey Reference Line, Construction Reference Line, Maintained Right-Of-Way lines. Maintained Right-Of-Way lines were marked on the ground by the Department Director of Public Works through his staff and assigns and located by Pinellas County Survey and Mapping Division staff on September 02, 2014 as depicted on this survey. Maintained Right-Of-Way lines were not monumented.
8. The Survey Reference Line and the Construction Reference Line is not monumented.
9. This survey was prepared with the benefit of that Specific Purpose Survey of HAINES ROAD from US 19 to I-275, SFN 1044 dated 08/03/04 revised 03/30/11 signed by Charles N. Gibson, Jr, P.L.S. Certificate Number 4238.
10. Survey Technicians: B.Ellis, B.Yates
11. Not a Boundary Survey. Property lines are from the Pinellas County Property Appraiser Maps and should not be used for boundary line purposes.
12. This survey was prepared with the benefit of the record documents shown and stated hereon.
13. Title researched was performed on parcels listed below in 12/03/08
35/30/16/00000/430/0200; 35/30/16/00000/430/0100.
14. RESPONSIBILITY: The undersigned Charles N. Gibson, Jr., P.L.S., is the responsible Surveyor and Mapper for all features and data contained on this Survey and Map.
15. Survey and Notes are not valid without the signature and original raised seal of Florida Licensed Surveyor and Mapper, Charles N. Gibson, Jr., P.L.S.

RE: PID 000147A & PID 002106A – Haines Road from U.S. Highway 19 to I-275
Roadway, Sidewalk and Drainage Improvements

Dear King of the Road Mobile Home Park, Inc.,

The Pinellas County Engineering and Technical Support staff is planning a construction project along Haines Road from U.S. Highway 19 to I-275. The construction will be accomplished in phases with the first phase of construction tentatively scheduled to begin late 2016.

In order to construct these improvements, Pinellas County plans to utilize certain maintained right-of-way property. This maintained right-of-way property was established by the County through its employees and contractors having regularly maintained and repaired the limits of roadway, as shown on the attached map, for at least the immediate past seven (7) years, pursuant to Section 95.361, Florida Statutes. The areas of this maintained right-of-way are located in the vicinity of Parcel I.D. 35-30-16-00000-430-0200 owned by you.

This item is scheduled for a regular Board of County Commission (Board) meeting on January 13, 2015 at 9:30 a.m. located at 315 Court Street, Clearwater, Florida 33756. At this time, the Board will consider a recommendation from County staff to authorize the Chairman of the Board to sign the maintained right-of-way map for Haines Road located in Sections 34 & 35, Township 30 South Range 16 East and Section 2, Township 31 South Range 16 East, and to authorize the Clerk of the Court to record the maintained right-of-way map in the Maintained Right-of-Way Road Plat Book B. Please find an attached copy of the County staff recommendation memo to the Board. We have also attached an aerial map which shows the physical features of the area.

The Project scope includes the following:

- Roadway reconstruction to include roadway safety, turn lane, and sidewalk improvements.
- Drainage structures and pipes will be installed in areas along the improvements.

This project will greatly improve traffic and public safety in accordance with current AASHTO Design Standards and Americans with Disability Act initiatives. If you have any questions regarding the proposed improvements, please contact Gregory Cutrone, Project Manager at (727) 464-4322.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin J. Becotte". The signature is fluid and cursive, with the first and last names being more prominent.
