Department:

Staff Member Responsible:

Paul S. Sacco, Assistant County Administrator
Martin Rose, Chief Information Officer
David Downing, Executive Director

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) DECLARE SURPLUS AND AUTHORIZE THE SALE OF MISCELLANEOUS COUNTY-OWNED EQUIPMENT AND VEHICLES TO THE HIGHEST RESPONSIBLE BIDDER, PER SECTION 274.06, FLORIDA STATUTES AND THE BOARD SURPLUS DISPOSITION PROCEDURES.

Summary Explanation/Background:

The purpose of this recommended action is to declare miscellaneous County-owned property surplus and authorize its sale to the highest responsible bidder, through competitive public auction, pursuant to Section 274.06 Florida State Statutes. Determination has been made that the usefulness of the listed miscellaneous equipment and vehicles to County operations has been exhausted. Excluding any interested governmental agencies, and approved non-profit agencies, these assets are to be liquidated through public auction conducted by Tampa Machinery Auction and GovDeals.com.

For rolling stock, Fleet Management staff evaluates units that have reached the end of their specified retention period and are scheduled for replacement. Factors including age, mileage, and historical cost as compared to other units within the same class, operating cost per mile, anticipated repairs, and physical condition are considered. Based upon this evaluation, the projected increase in repair and maintenance costs, and the estimated decrease in salvage value (at auction) associated with retaining the unit for an additional year is quantified. If these costs exceed the annual replacement assessment, the unit is deemed to have reached the end of its useful life. Occasionally, a unit that has not reached the end of its useful economic life is recommended for surplus. In these instances, it has been determined that the unit is no longer needed due to a change in mission and cannot be reallocated within the organization.

Property consists of the following:

- Auctions 394 and 395 – Miscellaneous surplus including electronics, furniture, and office equipment
- Auctions 402 and 403 – Computer Equipment
- Auction 46 and 47 - Vehicles

- One (1) Onan 350 kw generator located at 9685 Ulmerton Road, Largo, Florida. The generator previously serviced the Pinellas County Detention Center in Clearwater and has been replaced. The estimated fair market value of the generator is \$10,000.00.
- Twenty-three (23) iPhone 4, 16GB cell phones, thirteen (13) cables and eight (8) wall power adapters located at 14390 Roosevelt Boulevard, Clearwater, Florida. The iPhones were previously used by the Convention and Visitors Bureau Department. The estimated fair market value of the iPhones and accessories is \$1,500.00.

Following Board approval, Real Estate Management will distribute Notices of Surplus Equipment to:

- Suwannee County Board of County Commissioners, Pinellas County School Board, and the Juvenile Welfare Board, per Board approved resolution on January 14, 2014, a Notice of Surplus Equipment.
- Interested Governmental Units, Board Dependent Districts and all Department Directors under the jurisdiction of the Board of County Commissioners, Constitutional and other Elected Officials, and other Departments.
- Social Action Funding entities.

Fiscal Impact/Cost/Revenue Summary:

Revenues derived from Surplus sales vary for auctions 394, 395, 46 and 47. Proceeds from the sale of 394 and 395 will be returned to the General Fund; proceeds from 46 and 47 will be distributed to the Fleet Internal Service Fund.

Revenues derived from Surplus sales of computer equipment vary. Proceeds from the sale of auctions 402 and 403 will be distributed to the BTS Enterprise Capital Improvement Plan Fund.

Generator - \$10,000.00. Revenue proceeds from the sale will be returned to the General Fund.

iPhones and Accessories - \$1,500.00. Revenue proceeds from the sale will be returned to the Tourist Development Fund.
