

Presidential Lifetime Achievement Awards

The prestigious "President's Call to Service" award is bestowed on those who have contributed 4,000 volunteer hours or more to their community. The individuals honored today have met and exceeded that standard. They have made and are making a difference by improving the quality of life for the citizens of our community.

The certificate from the White House reads: "With grateful recognition, the Corporation for National and Community Service and the office of the President of the United States honors you with the President's Lifetime Achievement Award for your lifetime commitment to building a stronger nation through volunteer service."
