Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) CONSIDER GRANTING THE PETITION TO VACATE, SUBJECT TO THE RECOMMENDED CONDITIONS OUTLINED HEREIN, RETAINING A DRAINAGE AND UTILITY EASEMENT, AND IF GRANTED, ADOPT THE ATTACHED RESOLUTION PURSUANT TO FLORIDA STATUTES, CHAPTER 336 AND AUTHORIZE THE CLERK TO ATTEST AND RECORD THE RESOLUTION IN THE PUBLIC RECORDS OF PINELLAS COUNTY.

Summary Explanation/Background:

A Public Hearing was held on June 2, 2015, whereby the Board heard and denied the applicants' original vacation request. The Board suggested the applicant meet with the neighborhood property owners to attempt to resolve the issues before proceeding with another application, and proposed that all affected property owners, including the companies on West Rena Drive, join the effort to reach a resolution.

The petitioners have filed a new petition to vacate the same portion of the East Rena Drive ROW as the previous petition. At the time of advertising this public hearing, the petitioners were in the process of attempting resolution with neighborhood property owners regarding the outstanding issues of right of way street parking, tractor trailer traffic shift to West Rena Drive, and tractor trailer back-up and turnaround activities. The petitioners will present the outcomes of the attempts at the public hearing. At the June 2, 2015 public hearing, the issues of school bus stop locations, school bus turnaround requirements, street flooding and petition to vacate notification postings were settled.

County departments have reviewed this re-submitted petition to vacate. Many of the previous conditions of the staff recommendation of approval of the original petition have been addressed and satisfied. The remaining conditions of approval recommended by staff include construction of a cul-de-sac as required by the County Code at the new termination of North Rena Drive, which will require the applicants to go through the Site Plan and ROW Utilization Permitting (RUP) processes to demonstrate that they can meet the Code requirements for the cul-de-sac, including providing additional ROW than what is currently existing. Staff recommends that a Drainage and Utility Easement be reserved over the vacated area. Staff agrees that once all conditions are met, the vacation should be executed.

The subject petition seeks Conditional Board approval to vacate a portion of right of way known as East Rena Drive and is 60 feet wide and extends from the North ROW of Ulmerton Road to a point approximately 440 feet North, in the Palm Breeze Estates Subdivision, Section 6, Township 30 South, Range 16 East, Plat Book 31, Page 64, Pinellas County, Florida. The conditions are listed in the resolution and include:

1. The Petitioners submit a written waiver of any and all claims of injury to their respective properties which could potentially result from this vacation;
2. The Petitioners go through the Pinellas County Site Plan Review process and obtain a Right-of-Way Utilization Permit for construction of the required cul-de-sac;
3. The Petitioners grant the County sufficient interest in the additional right-of-way needed for the required cul-de-sac;
4. The cul-de-sac is successfully built pursuant to the Pinellas County Code;
5. Any and all necessary utility relocations and /or reservations from the County and other utility companies notified during this process are respectively relocated or retained.

The properties adjacent to the ROW subject to this vacation request have been annexed into Largo. As the road has not been transferred, the portion of East Rena Drive subject to this request is still under County jurisdiction.

The properties adjacent to the remaining portion of East Rena Drive are not subject to the vacation request. The adjacent properties along North Rena Drive are located within unincorporated Pinellas County.

A Public Hearing was held on March 10, 2015 whereby sitting as the Countywide Planning Authority, the Board adopted Ordinance No. 15-13 approving the land use change request for this property. The request was to amend the Countywide Future Land Use Plan from Industrial Limited to Commercial General.

Letters of no objection were received for the requested petition and Bright House, City of Largo, Duke Energy, Pinellas County Public Works, Verizon and WOW! All have requested to retain easements for equipment and facilities in the ROW.
