

Commission Agenda Date: August 18, 2015

Item No: 26b.

Other Administrative Matters:

On September 10, 2015 a public hearing will be held for the Surface Water Rate Resolution for the Fiscal Year 2016 Surface Water Service Assessment. The Surface Water Service Assessment is brought to the Board of County Commissioners (Board) for adoption annually. On June 23, 2015, the Board adopted the Preliminary Surface Water Rate Resolution to establish the maximum at which the surface water assessment may be levied. The final rate can be at or below that rate
