AGENDA ITEM NO. 14

Consent Agenda ☒

Regular Agenda ☐

Public Hearing ☐

County Administrator's Signature:

Subject:

Declare Surplus and Authorize Disposition of Miscellaneous County-Owned Equipment, to include Sale of Scrap Material, Disposal of Junked Material, and Removal of Stolen, Unaccounted, Cannibalized, Traded-in and Donated Items from County Fixed Asset Inventory.

Department:

Real Estate Management

Staff Member Responsible:

Andrew W. Pupke, Director

Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) DECLARE SURPLUS AND AUTHORIZE THE DISPOSITION OF MISCELLANEOUS COUNTY-OWNED EQUIPMENT, TO INCLUDE SALE OF SCRAP MATERIAL, DISPOSAL OF JUNKED MATERIAL, AND REMOVAL OF STOLEN, UNACCOUNTED, CANNIBALIZED, TRADED-IN AND DONATED ITEMS FROM COUNTY FIXED ASSET INVENTORY.

Summary Explanation/Background:

Determination has been made that the usefulness of items identified as scrap and junk has been exhausted and have no value as a saleable item. Items identified as scrap are liquidated through an existing contract with R & L Metals, Tampa, Florida. Items identified as junk are disposed of through an existing contract with Waste Management of Florida, Inc., Clearwater, Florida. Cannibalized items have been utilized to repair other County-owned equipment. Items identified as trade-ins have been used as traded property on new equipment. Donated items have been donated to participating Social Service Agencies and other approved not-for-profit entities.

Items that cannot be located during asset inventory are designated as "Unaccounted". If an item has not been located for two (2) consecutive inventories, the department shall contact their local law enforcement agency and report the item as stolen. Departments immediately report an item stolen if there is assurance the item is not misplaced, and has been stolen. Items designated as stolen are reported to the Board, reviewed, and if appropriate, removed from County Fixed Asset Inventory. In the event an item reported as stolen is located, the local law enforcement agency is notified and the item is placed back on the appropriate County department's fixed asset inventory. Law enforcement and department incident reports are on file with the Clerk of the Court.

Fiscal Impact/Cost/Revenue Summary:

Revenues derived from scrap material sales will vary with each container.
