Recommended Action:
I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) CONDUCT A PUBLIC HEARING TO ADOPT THE RESOLUTION MAKING A LEGISLATIVE FINDING THAT CONDITIONS OF BLIGHT EXIST IN THE LEALMAN STUDY AREA, ESTABLISHING THE LEALMAN CRA, DECLARING THE NEED FOR A COMMUNITY REDEVELOPMENT AGENCY, PROVIDING AUTHORIZATION TO PROCEED WITH THE PREPARATION OF THE LEALMAN REDEVELOPMENT PLAN AND DIRECTING THE CREATION OF A LEALMAN CRA ADVISORY COMMITTEE.

Summary Explanation/Background:
By direction of County Administration, Planning staff has prepared a Finding of Necessity (Exhibit A to the Resolution) for an area known as the Lealman study area (Exhibit B to the Resolution). The Finding of Necessity is required by Chapter 163, Part III as the first step to establish a CRA. Fourteen (14) indicators of blight must be evaluated, of which a positive finding of at least two (2) must be present in order to establish a CRA. The analysis indicated that nine (9) of fourteen (14) blighting factors were present in the Lealman study area. The results of the Finding of Necessity were presented to the Board on May 19, 2015. The Board, by consensus, directed staff to move forward with establishing the CRA. The attached Resolution has five (5) associated actions:

1) Finding that conditions of blight exist within the Lealman study area;
2) Establishing the Lealman study area as the Lealman Community Redevelopment Area;
3) Declaring the need for a Community Redevelopment Agency;
4) Providing authorization to proceed with preparation of the Lealman Redevelopment Plan; and
5) Directing the creation of the Lealman Community Redevelopment Area Advisory Committee.

Required notice to all taxing authorities, advising of the Board's intent to consider the attached resolution, will be mailed no later than June 5, 2015. A notice of intent will also be published in the Tampa Bay Times no later than June 12, 2015. Following is the proposed schedule of remaining associated actions to complete the adoption/creation of the Lealman CRA:
• June 3, 2015 > Present Finding of Necessity/CRA recommendations at the Lealman Symposium
• Week of June 15, 2015 > Present Finding of Necessity/CRA recommendations to Lealman business community/stakeholders (exact date to be determined)
• June 23, 2015 > Request authorization to advertise an Ordinance for public hearing on July 21, 2015 establishing the Community Redevelopment Agency and appointing the Board as the Community Redevelopment Agency Board
• July 21, 2015 > Board adopts an ordinance establishing the Community Redevelopment Agency and appointing the Board as the Community Redevelopment Agency Board
• July 21, 2015 > Board adopts a resolution establishing the Lealman CRA Advisory Committee, membership requirements, terms, etc.
• July - August 2015 > Recruit members for the Lealman CRA Advisory Committee
• August 18, 2015 > Board appoints CRA Advisory Committee members
• August-September 2015 > Lealman Advisory Committee meeting to “kick-off” the process of preparing the Lealman Redevelopment Plan

Fiscal Impact/Cost/Revenue Summary:
It is anticipated that a Redevelopment Trust Fund will be established and funded with Tax Increment Financing revenues. The fiscal impact will be analyzed in the Lealman Redevelopment Plan to be developed over the next eight (8) to twelve (12) months.

SUBJECT: Scrivener's Error in Board Resolution No. 15-62

DATE: July 8, 2015

REQUEST: Pursuant to Pinellas County Code Section 2-62(a)(7) and under my authority to authorize corrective documents, I am requesting Board Records to replace the Resolution No. 15-62 heard as item #42 at the June 23, 2015 Board of County Commissioners' meeting with the corrected document as attached. I further request that you do whatever you deem necessary to clarify the Board's record file on this matter.

DISCUSSION: At the June 23, 2015 Board of County Commissioners' meeting, the Board, in agenda item #42, approved Resolution No. 15-62 making a legislative finding that conditions of blight exist in the Lealman Study area, establishing the Lealman Community Redevelopment Area, declaring a need for a Community Redevelopment Agency, authorizing the preparation of a Lealman Redevelopment Plan, and directing the creation of a Lealman Community Redevelopment Area Advisory Committee. However, in both Exhibit A, the Lealman Study Area Finding of Necessity, and Exhibit B, Map and Boundary Description, the subject resolution contained a scrivener's error that reflected an incorrect and incomplete legal description of the Lealman Study Area.

The resolution, reflecting the correct legal description for the Lealman Study Area in Exhibits A and B, is attached for your handling pursuant to this request.
