Greater Seminole Area Special Recreation District vacancy announced

Applications are being accepted for an appointment to fill one vacancy on the Greater Seminole Area Special Recreation District Board that would complete a current four-year term. The term is set to expire on Oct. 31, 2022.

The lands described in this section of the Pinellas County Code are created as a special recreational district, which is a public corporation. The district has the right, power and authority to acquire and hold title to real property and to levy ad valorem taxes (subject to referendum approval of the voters of the district).

This district may enter into a management contract with associations or organizations whose programs are intended to serve the recreational needs of both adults and youths. The district is further authorized to expend district funds for the construction, care, maintenance, upkeep and operation of any recreational land and facilities as the board may determine to be in the best interest of the district. The board may adopt rules and regulations as it deems necessary in and about the transaction of its business and in carrying out the provisions of this article.

Meetings are held annually on the second Tuesday of September at 7 p.m. or monthly as needed and are typically held at the Seminole Youth Athletic Association. Applicants must be registered to vote in Pinellas County and live within the Greater Seminole Area Special Recreation District.

Mandatory applications can be found at www.pinellascounty.org/boards and must be received no later than 4 p.m. on Wednesday, Aug. 28. The Board of County Commissioners will review all applications and make a decision at its meeting on Thursday, Sept. 12.

Note: All materials submitted to Pinellas County government are subject to the public records law of the State of Florida.
