Pinellas: Educational Facilities Authority vacancies

Applications must be received no later than the close of business on Oct. 3.

Applications are now being accepted for two appointments to a five-year term to the Pinellas County Educational Facilities Authority.

The Pinellas County Educational Facilities Authority assists fully accredited institutions of higher education and educational facilities as defined in Chapter 159, Part II, Florida Statutes, by providing an additional means to finance facilities and structures.

The authority issues bonds in order to make loans for the costs of projects, with the institution receiving the loan responsible for repayment and for cost of administration. Bond issues for educational facility financings are projects approved by the Pinellas County Board of County Commissioners.

The Commission appoints five members, including one member who must be a trustee, director, officer or employee of an institution of higher education.

Mandatory applications can be found at www.pinellascounty.org/boards and must be received no later than the close of business on Oct. 3, 2016.

The Board of County Commissioners will review all applications and make their selection at a future Commission meeting.
