

DEBT SERVICE

Debt Service includes the annual payments of interest, principal and other fees on long term bond indebtedness. The debt service reflected in this section relates only to debt obligations which provide a benefit to the community as a whole and are not reflected elsewhere within the budget document. Debt service requirements which relate to specific departments and independent agencies, such as the Water System, are reflected within their respective budgets.

Page #	Department Name	FY03 Actual	FY04 Budget	FY05 Request
J-3	DEBT SERVICE	29,266,307	31,769,780	31,834,780
Total		29,266,307	31,769,780	31,834,780
