TRANSPORTATION IMPACT FEE

Transportation Impact Fee Projects are road and street projects funded by fees collected in the various impact fee districts throughout the County. The fees collected assure that new development bears a proportionate share of the cost of capital expenditure necessary to meet transportation needs of the County. Transportation Impact Fees are dedicated to projects within the district in which they were collected.

Note: This specific budget consists of the transfer of the impact fee revenues to the Capital Projects Fund where the actual expenditure of the impact fees will occur.
