

No. 45
BCC 09/18/07
3:04 P.M. KENNARE/Penhale

- #45 Resolution No. 07-135 adopted establishing schedule of fees for non-proprietary departments during Fiscal Year 2008 (effective October 1, 2007) (Management and Budget).

County Administrator Spratt suggested that due to the volume of correspondence received from concerned citizens, the fee schedule should be adopted with the deletion of the reimbursement shown in the Section Animal Services XII(a), where the amount of the reimbursement given to clinics would be reduced from \$1.00 to \$0.50. Responding to query by Chairman Duncan, Mr. Spratt related that an estimated \$83,000.00 would be associated with that reimbursement reduction; and that it would translate to a \$25,000.00 reduction in donations to the Pinellas County Animal Foundation.

Following discussion with input provided by Assistant Director of Veterinary Services Dr. Eugene W. Agnew, Office of Management and Budget Business Development Director William M. Berger, Mr. Spratt and the Members, Commissioner Stewart moved, seconded by Commissioner Seel and carried, that Resolution No. 07-135 be adopted.
