# Summary of Resources & Requirements

Fund: F4021 Solid Waste Rev & Op

The Solid Waste Revenue and Operating fund is used to account for revenues generated by Pinellas County's Refuse to Energy facilities. The three main sources of revenue are: tipping fees charged for the disposal of refuse, proceeds from the sale of electricity generated by the facility to Progress Energy and monies generated from the sale of recycled metals. The fund accounts for the expenses associated with operating and maintaining the facility. This fund also accounts for any grant proceeds, which may be received for the various recycling programs administered by the County.
