Fund: F1001 Co. Transportation Trust

The County Transportation Trust Fund is required by Florida Statute 336.022 to account for revenues and expenditures used for the operation and maintenance of transportation facilities and associated drainage infrastructure. Activities include road and right of way maintenance (e.g., patching, mowing), bridge maintenance and operation, traffic engineering, traffic signal operation including Intelligent Transportation Systems, traffic control signage and striping, sidewalk repair and construction, and maintenance of ditches, culverts and other drainage facilities. Major revenues to support these activities are provided from gas taxes collected and distributed by the State of Florida, and local option gas taxes levied by the County.

Fund: F1025 Emerg Phone Svc & Equip

The Emergency Communications Number E911 System Fund (previously titled Emergency Phone Service & Equipment Fund) is used to account for revenues received from the \$0.50 per month charge assessed on land based telephone lines and wireless communication services. This service charge was adopted by the Legislature in 1999 and was imposed in FY00. In 2007, legislation was adopted to account for the wireless and wireline service fees in one fund, collected and distributed by the E911 Board. Legislation also changed the distribution formula of wireline fees from \$0.50 to \$0.49 and wireless fees from \$0.22 to \$0.36. This program is administered by the Public Safety Services Department.

Fund: F1040 Tourist Develop Council

The Tourist Development Council, serving as the St. Petersburg/Clearwater Area Convention & Visitors Bureau, accounts for the 5% tourist development tax (i.e. bed tax) on rents collected for temporary lodgings. This tax was initially approved by a voter referendum in 1978 as a 2% tax to promote tourism in Pinellas County. Later, an additional 1% was approved with one-half of this amount earmarked to fund beach renourishment projects. In January 1996, an additional 1% was levied to provide additional funds for promotional activities, beach renourishment, and to service debt on the County's obligation to the City of St. Petersburg's Excise Tax Revenue Refunding Bonds, 1993. In December, 2005, an additional 1% was levied to provide funding for promoting and advertising tourism.
