The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Pinellas County, Florida for its annual budget for the fiscal year beginning October 1, 2014. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting to GFOA to determine its eligibility for another award.
The FY2016 Annual Operating and Capital Budget document is designed in a user-friendly fashion. The book is divided by a series of tabs, with each tab representing a major functional or organizational division in the budget. The first three tabs are the **Table of Contents, Budget Message, and Summaries.**

The **Budget Message** from the County Administrator to the Board of County Commissioners includes a transmittal letter followed by related information that explains the significant issues and processes affecting the budget. The Message also provides updated multi-year forecasts for the ten major funds and fund groups in the budget.

The **Summaries** tab contains a series of charts and tables that present the budget in an aggregated fashion together with various economic and population trend data for Pinellas County.

The next series of three tabs contains budgets based on organizational responsibility with dividers for sub-sections. The tabs and sub-sections are as follows:

**Board of County Commissioners**
- Board of County Commissioners and County Attorney
- County Administrator Departments

**Constitutional Officers**

**Other Agencies**
- Court Support
- Independent Agencies
- Support Funding

These sections of the document present the department and agency budgets utilizing a standard format. This format was designed to present budgetary information in a clear, concise manner.

Each department’s section begins with a **Department Description and Analysis.** These subsections describe the nature and purpose of the department, and an analysis, by the Office of Management and Budget, of the department’s budget request. The next subsection is **Budget by Program.** Within each program budget, funding is separated by fund for FY2014, FY2015 and FY2016, and Full-Time Equivalent positions are given for FY2015 and FY2016. The **Department Budget Summary** displays **Expenditures by Program and Expenditures by Fund.** The **Personnel Summary** presents the Full-Time Equivalent positions by program and fund. The final section of the department page gives the **Program Description** for each of the programs included in the department’s budget.

The **Capital** section presents the FY2016 Budget for the governmental capital and enterprise projects funds. The capital budget is grouped by program, such as flood control or intersection improvements. Additional CIP information, including projects listed by function and activity, a summary of changes from the previous fiscal year’s plan, and operating budget impacts are also included in the **Capital** section. Specific project detail will be contained in a separate document, the **Capital Improvement Program Ten-Year Work Plan.**

The **Fund Resources** section presents information on the various types of County funds and how they relate to the departmental budgets. For each fund, a **Summary of Resources and Requirements** gives a description of the fund’s purpose and summarizes the fund beginning balances, revenues, expenditures, and reserves for Fiscal Years 2014, 2015, and 2016. This page is followed by detailed revenue information for each fund. The General Fund also includes a summary of requirements by department and agency within that fund.

The **Appendix** includes a glossary, a description of the budget policies, process and calendar, summary of proposed user fee changes, and the Pinellas Planning Council and Metropolitan Planning Organization budgets.
