Surveyors R.P.D. Certification
 Setback and Lowest Floor Elevation

PERMIT NUMBER _____

THIS IS TO CERTIFY THAT BASED ON PINELLAS COUNTY REQUIREMENTS THE LOWEST FLOOR ELEVATION OF THE STRUCTURE ON LOT(S) _____
 LEGAL _____

In Section _____, Township _____ South, Range _____ East, Pinellas County, Florida, is _____ feet, *N.G.V.D. This is also to certify that, since I have surveyed and field staked the location of the structure(s) for construction purposes, the foundation of the applicable structure(s) at the above described property, meets the minimum building setbacks as set forth in the Pinellas County Zoning Regulations and the lowest floor elevation is at or above the minimum elevation shown on the building permit. I also certify the final tie-in survey of the property described hereon, if performed by me, will comply with Chapter 21 HH-6, F.A.C.

NOTE: The developer, builder or owner acknowledges receipt of a copy of this certificate, and agrees that prior to the issuance of a Certificate of Occupancy on this property, a tie-in survey must be submitted to the Pinellas County Building Department. This survey is to show the actual building(s) setbacks and the lowest floor elevation(s).
