Passage of proposed amendments to or repeal and replace the Charter shall require approval of a majority of electors voting in said election on such amendment.

Section 2. Section 6.02 of Article VI of the Home Rule Charter for Pinellas County, Florida, as created by chapter 80-590, Laws of Florida, as amended, is amended as follows:

Sec. 6.02. Charter initiative.

1) Except as provided in Section 5, amendments to or repeal and replace the Charter may be proposed by a petition signed by registered electors equal to at least ten (10) percent of the number of registered electors of the county at the time of the last preceding general election. No more than forty (40) percent of those registered electors signing petitions shall reside in any one (1) at-large county commission district. No more than thirty (30) percent of those registered electors signing petitions shall reside in any one (1) single-member county commission district. Such petition shall be filed with the clerk of the circuit court in his capacity as clerk of the board of county commissioners, together with an affidavit from the supervisor of elections certifying the

number of signatures which has been verified as registered electors of Pinellas County at the time the signature was verified. Each such proposed amendment or repealer and replacement shall embrace but one (1) subject and matter directly connected therewith. Each charter amendment or repealer and replacement proposed by petition shall be placed on the ballot by resolution of the board of county commissioners for the general election occurring in excess of ninety (90) days from the certification by the supervisor of elections that the requisite number of signatures has been verified. However, the County Commissioners may call a special referendum election for said purpose. Notice of said referendum, together with the exact language of the proposed amendment or repealer and replacement as submitted on the petition, shall be published by the board of county commissioners once a week for four (4) consecutive weeks in a newspaper of general circulation in the county, the first such publication being at least forty-five (45) days prior to the referendum. Passage of proposed amendments to or repeal and replace the Charter shall require approval of a majority of electors voting in said election on such amendment.

2) The sponsor of a petition amendment or repealer and replacement shall, prior to obtaining any signatures, submit the text of the proposed amendment or repealer and replacement to the supervisor of elections, with the form on which the signatures will be affixed, and shall obtain the approval of the supervisor of elections of such form. The style and requirements of such form shall be specified by ordinance.

The beginning date of any petition drive shall commence upon the date of approval by the supervisor of elections of the form on which signatures will be affixed, and said drive shall terminate one hundred eighty (180) days after that date. In the event sufficient signatures are not acquired during that one hundred eighty (180) day period, the petition initiative shall be rendered null and void and none of the signatures may be carried over onto another identical or similar petition. The sponsor shall submit signed and dated forms to the supervisor of elections and upon submission pay all fees as required by general law. The supervisor of elections shall within forty-five (45) days verify the signatures thereon. Notwithstanding the time limits hereinabove signatures on a petition circulated prior to one general election shall not be valid beyond the date of that election.

3) If approved by a majority of those electors voting on the amendment or repealer and replacement at the general election, the amendment or repealer and replacement shall become effective on the date specified in the amendment, or, if not so specified, on January 1 of the succeeding year.
