Overall Sentiment:

- **I chose to live in the unincorporated County without these restrictions.**
- **Where will we park our boats and RV's, there isn't enough storage.**
- **The boats & RV's are an eyesore and devalue my property.**

Specific to the Proposed Code

A Sample of Comments:

- **Cars parked in the streets will block traffic flow, including the mailman, garbage trucks, etc.**
- **Boats and RV's parked between houses are a fire and access hazard.**
- **Harder to maintain in a storage yard and have a greater chance of vandalism.**
- **At least, don't allow boats and RV's to block sidewalks.**
- **I don't have a paved driveway or road.**
- **Not enough room between houses and no access to the backyard.**
- **Additional paving is bad environmentally and may cause drainage problems.**
- **Trees will have to be removed in side and backyards.**
- **One of the reasons we didn't annex to Seminole.**
- **Insurance will go up if stored off-site.**
- **The RV is our second car.**
- **If you can afford an expensive home and boat or RV, you can afford to store it.**
- **I can't afford to store my boat/RV.**
- **Boats, RV's and cars are parked all over, you have no green space.**
- **It's a problem to sell my house with all these boats and RV's.**
- **We are a boating/waterfront community.**
- **Corner lots have nowhere to store their boat/RV.**
- **Deed restrictions don't allow street parking.**

Suggestions:

- **Let each community decide for themselves i.e. Special Code Overlays.**
- **Require current registration and current tag for boat and trailer.**
- **Require boats to be “operable”.**
- **Limit the number of boats and RV’s.**
- **Prohibit all boats and RV on residential property.**
- **Need a loading and unloading provision.**
- **Allow RV’s, boat and trailer up to ? ft.**
- **Allow parking in the driveway but not the yard.**
- **Let neighborhood associations take care of it (thru deed restrictions).**
- **Require side or rear parking of boats/RV’s where possible.**
