NOW THEREFORE, in accordance with the powers granted to me by Board Resolution 20-16, as extended, I now order the following shall be the procedures for virtual meetings of the Board of County Commissioners utilizing Communications Media Technology (CMT):

- 1) No in-person live public participation will be available to prevent the further spread of COVID-19 to the greatest extent practicable.
- 2) The public will be given multiple avenues to comment on agenda items or other matters coming before the Board for a vote.
- 3) Given the complexities of the virtual platforms and the emergency situation under which we are operating, the “citizens to be heard” portion of the meetings will be suspended until the emergency conditions have abated. The public can comment on any item coming before the Board for a vote, and the public can always access their County Commissioners at www.pinellascounty.org.
- 4) All virtual meetings will be noticed as a virtual meeting in the same manner as required for a non-CMT proceeding, and shall plainly state that such proceeding is to be conducted utilizing CMT and identify the specific type of CMT to be used. The notice shall describe how interested persons may attend and shall include instructions in the notice addressing:
 - a. How to view the virtual meeting through live stream or broadcast.
 - b. The web address and phone number access where an interested person may go for the purpose of attending the proceeding.
 - c. An address, e-mail address, and telephone number where an interested person may write or call for additional information.
 - d. An address, e-mail address, and designated person to whom a person may submit written or other physical evidence which he or she intends to offer into evidence during the CMT proceedings.
- 5) The notice of a virtual meeting will also contain instructions, or methods of accessing instructions, addressing how to comment prior to the meeting.
- 6) All other usual Pinellas County Commission meeting practices will be observed to the greatest extent practicable, subject to the discretion of the Chair.
